The action of the Con-ference on Thursday last, dispelled that illusion. The manifestations on that day proved that there was a set-tled parpose to deprive us of our Representative. The outly excuse they could offer for this course was that they had conceded to us the Senator. True, but they seem to forget that Tloga has already had the hon-or of a Senatorial Representative for one term during the existence of the present district, and that four counties instead of two, are interested in the Senatorial nomination.
