

"The truth at last" pipes a red-hot Democratic sheet just before election!

Mackey, the defeated Democratic candidate for Congress in the Toga district, says the Agitator will vote for Grant and Colfax.

As the Agitator never stated that Mr. Mackey would vote for Grant & Colfax will the Robert Acres of the Standard inform somebody where the lie comes in?

VICTORY. The prayers of the true men and women of the republic has been answered: "LET US HAVE PEACE!"

Without doubt our opponents contemplated revolution if successful, and revert if unsuccessful at the ballot-box.

Though Grant & Colfax are elected by more than two-thirds of a majority in the electoral college, we do not contemplate the result with entire satisfaction.

It is time that the great organs of public opinion like the Tribune, the Times and the Press speak out the thoughts which are in their conductors.

Then glory to the Lord of Hosts, the victory is won! And Grant shall lead in War and Peace, as erst did Washington!

We congratulate the true-hearted men of Toga County upon the last and most brilliant of the whole catalogue of Republican victories achieved by them since the first in 1854.

Grant's majority in the county is 3698—two less than we asked for, but positively grand, nevertheless.

seem to have heard and heeded that admonition on the 3d of November. Who has been stealing, Messrs. Democratic editors? You have been making a great ado about stealing, and charging it upon Republican party.

We have believed Mr. T. J. Ham, editor of the Wayne County Herald, to be a man of truth. He is, if we mistake not, a church member, in good standing. He therefore, in that case, advertises somewhat for decency and decorum.
