 trouble by marrying two wives. A Western editor replies by assuring his cotemporary that a good many men in that section had undergone the same thing by marrying one. A Northern editor reforts that quite a number of his acquaintances found trouble enough by barely promising to marry, without going any further. A Southern editor retorts that a friend of his was bothered enough when simply found in company with another man's wife. A Missourian informed atraveller who inquired about hiscorn, that each stalk had nine ears on if and was fifteen free high. That's nothing to our corn," replied the traveller. "Up in Illinois, where I came from, we always had nine ears to each stalk, and a peek of shelled corn hanging to each trassel, but we could never raise any field beans with it." "Why ?" "Because the corn grew so fast that it always pulled the beans up!" An editor wrote a leading article on the fair sex, in the course of which he said : "Girls of seventeen or eighteen are fond of beaus." When the paper was issued he was rather shocked to discover thatan puloftunate typographical error had made him say. "girld, of seventeen or eighteen field was a little "short the other day, though the would try, it. The experiment resulted in his being put off in a ditch, and he declares there's no believing anything that the newspapers say. 	STOVES IN Tioga County, and the Cheapest place to buy in the world. A Western editor replies by assuring his cotemporary that a good many men in that section had undergone the same thing by marrying one. A Northern editor retor's that quite a number of his acquaintances found trouble enough by barely promising to marry, without going any further. A Southern editor retor's that a friend of his was bothered enough when simp- ly found in company with another man's wife. A Missourian informed atraveller who inquired about his/corn, that each stalk had nine cars on if and was fifteen for the traveller. "Up in Illinois, where I came from, we always had nine cars to each stalk, and a peek of shelled corn hanging to each trassel, but we could never raise any field beans with it." "Why?" An editor wrote a leading article on the fair sex, in the course of which he said : "Girls of seventeen or eighteen are fond of beaus." When the paper was issued he was rather shocked to discover that an unfortunate typographical of seventeen or eighteenfare for do beaus." JEOKUS says he has seen a great deal about railways carrying "passengers through without change," and as he was a little "short the other day, though the would try, it. The experi- ment resulted in his being put off in a ditch, and he 'declares there's no being lever hat an unfortunate typograph- ical error had made him say.
