## HOME MATTERS.

WEDNESDAY, FEB. 17, 1869.

New Advertisements Stump Machine-John Rowlee. Notice to Collectors-H. C. Bailey Administrator's Notice—Barah Benjamin Farm for Sale—J. W. Tubbs. Executor's Notice—Estate of A. Losoy. Demorest's Publications.

DONATION .- The friends of Rev. W. A. Smith will give him a Donation at Crowl's Hall, Stony Fork, Tuesday evening, 23d inst.

Notice.-Mr. I. M. Wariner has left to ends, certainty of motion, or perfectness of work done by him for oustomers to be delivered by S. B. Wariner, at the old stand. Parties are body are a million times greater than those of a requested to call without delay.

DEDICATION.—The new Presbyterian

Church Edifice at Elkland will be dedicated on

Tuesday, Feb. 23, at 1 P. M. A general invitation is extended to the interested public. PERSONAL.-Mr. Caldwell, of the Elmira Advertiser, is traveling through the Sonthern States on a tour of inspection. The South-

ern papers give him a cordial greeting. A CARD.-Rev. H. C. Harris, of Charleston, desires to acknowledge the liberality of his friends, who, on the 29th ultimo, presented him with a purse of \$62, and gifts amounting to

ASHES!-We see it stated that one of the honest market women of Williamsport has tion, which constitute a wonderous system of been selling coal ashes for apple-butter. She telegraphing, than the heart sends down an extra puts a thin layer of apple-butter over the crock quantity of blood to repair damages. So you of Dead Sea apples which, as everybody knows, are "ashes at the core.

THE ACADEMY.-We are requested to announce that the Spring Term of this Shool will commence March 8, instead of March 1, as advertised on our fourth page. The change is made to accommodate teachers whose schools do not close until the first days of March. The Academy school deserves a liberal patronage and the Spring term ought to be a full and profitable

THANKS .- The Agitator is ever so sticky mass, and propelled toward the outer gate much obliged to Mr. Eugene Beauge, of Charles- of the stomace, pushed through it, and into the ton, for half a bushel of such applea as might duodenum, or second stomach. Here the process delight the gods. They were labeled .- "One of assimilating the mass so as to fit it for use in half to Cobb, two-fourths to Van Gelder, and the repairing and improving the condition of body balance to the "Devil." Poor "Devil!" The and brain goes on. All this while the heart has proprietors, moved by emotions of pity, and de- been pumping blood toward the stomach to sussiring to give the "Devil" his due, made that tain it in its added labor. personage twice glad with several of the agents of man's fall.

NARBOW ESCAPE. - Messrs. Stedham it for uso. At two o'clock you took a dozen oys. Walbridge, S. L. Olmsted, and Huling Wilson | tors with fixings, you know. Just then we will narrowly escaped death by a falling tree near suppose that the stomach and heart were conthe Cedar Run log slide, last week Tuesday .--They were lifting logs out of the slide by means of a tackle which was hitched to a tree, when the tree fell, inflicting a severe injury upon Mr. went a dozen cysters upon a snoozing stomach, Wilson, and narrowly escaping Messrs. Wal which awoke angrily, protesting, but unable to bridge and Olmsted. Mr. Wilson was knocked suppress a despatch to the brain. The stomach down, and lay unconscious for two days. Hopes | might have managed the "extras," possibly; but | of his recovery are entertained.

Nasby is not the Postmaster at "Confedrit Cross | aged the oyster insult; but this droughing with Roads, in the Stait of Kontucky ." "he is," says the gall of bitterness is almost too much !" the Colonel, "a strolling Yankee and neither Kentucky nor the Democracy are went to own it worries through a vast deal of work in the naany such scalawag and humbug." Can it be that ture of insult. But when you came down upon the Colonel is the original of "Dekin Pogram?"

Possible Sell .- The Clinton Republican has the following : . I' We learn that the workmen engaged in

quarrying stone along the canal, on the farm of our friend Alex. Reed, below Lockport, have secently come upon undoubted specimens of Petroleum, deposited in and permenting the seams and fissures of rock. Though, as a matter of taste, we should not like to an appear a stock and dairy farm perfavated with all off and off and the seam of nobody of the stone of the ston whom we would rather see "strike ile" than our public spirited friend Reed." Mr. Reed will find more money in the milk and

cream of his fine dairy than all the petroleum fearful one-alcohol. It is a virulent poison; in which saturates the bed rock. The quarry men other words it is not assimilable having no affiinhave struck the same rock that underlies large ity with any fluid or solid of the body. No tracts of Tioga county. At the dopth of about sooner does it reach the stomach than that organ 45 feet the drill strikes a fine sand rock thoroughly declares war upon, and tries to expel it. The saturated with petroleum. This rock averages gastric juice cannot touch it; the bile only boils about 18 feet in thickness. There is no oil to be with indignation and retuses to mix. The panhad where this rock occurs, as it absorbs the oil. oreatic juico refuses to welcome it to the duode-

THE LEGISLATURE.—A bill to secure farmers and the unsuspecting of all classes from frauds in the sale of patent rights in Erie county was offered in the House Feb. 2. Mr. Strang | tion, and the "wear-and-tear" is doubled. But moved to make the law general. We hope he will press it when the bill comes up on third reading.

The bill to correct a clerical error in the Act touching the eligibility of the officers of the Tioga | what happens? It, like alcohol, is not soluble in Railroad Company passed the Senate on the 3d. On the 4th, Mr. Niles read in place a bill to change the times of holding courts in this judicial District.

In the Senate, Mr. Olmstead read a bill in place to prohibit the granting of licenses to sell intoxleating drinks in Clinton County. On the 5th Mr. Niles presented a petition for

the repeal of the law prohibiting the hunting of you'?" No, sir. Fright never reformed a man deer with dogs in Shippen, Gaines, and Elk. or woman. We want to shock, and awaken you Petitions signed by 620 females and 748 males. with the facts. Why will you commit suicide? praying for a prohibitory liquor law in Tioga When an unfortunate swallows poison, or resorts county, were presented the same day. an act of insanity. What, then, is the act of the A SPLENDID WINTER .- This is the man who deliberately swallows poison daily, and

75th day of continuous sleighing (Feb. 12). Since the 30th day of November the hills in sight of this village have been carpeted with a deep your fine distinctions, friend. The man who layer of snow, and the roads have been capital. knowingly violates the laws of life is a suicide. Some thawing days have been scattered along through the time, but the bulk of snow has, been little disturbed after all. Do the people know and to the doctor's question-" what do you want how extremely favorable this sort of winter is to with arsenic?"—should reply,—"I want to swaleverything, animate and inanimate? Or if they low it,"-ought the doctor to let him have the know it, do they ever forget to be grateful for it? | arsenic? Of course not; in so doing he would It is next to impossible for great epidemics to become privy to the suicide. Well-if a man go rage while the ground is covered with snow. For to a dealer in alcohol, and ask for a quart of snow is so clean, and so readily absorbs the whisky, saying that it is for drinking purposes, noxious gases arising from decomposition; and then, continuous snow argues pretty steady of the drinker? And if a man die of debauch

When the snow goes off, and the spring opens, | guilt of conniving at" the deep damnation of you will see that the grass and grain do not for- his taking off"? get to be grateful for the protection of the snow. Should the carpet remain until the middle of March, as we hope for, the grass will show its green when the snow disappears. For it, like the wheat, delights in protection from sharp frosts. It is said that, hereabout, there is not a jot of frost in the earth. The few days of thawing weather have made the snow porous, so that the grass and grain can have all the air necessary to to whom it was returned. Lucky for Jones, vegetable growth. The winter is full of promise for a bountiful harvest.

IMPORTANT TO DEALERS. Dealers in carefully placed on the track. It was only re-Tobacco will find something to interest them in the following decision by Commissioner Rollins:

"In relation to takesce in the bands of declars who did the act, may be found and punished. "In relation to tobacco in the hands of dealers, extended by law to February 15, 1869, (since smoking, fine-cut chewing tobacco; or snuff, and after July 1, 1869, all other manufactured tobacco of every description shall be taken and description shall be taken and description shall be taken and description. of every description shall be taken and deemed as having been manufactured after the passage on the ground.

Something New.—Prof. J. B. Andrews of prescribed by that Act, except at rotall by retail dealers, from wooden packages stamped as provided for in that Act. All manufactured tobacco, therefore, in the hands of dealers after the dates above named not packed and stamped with tax.

Something New.—Prof. J. B. Andrews of Choster county, is with which it restores GRAY HAIR TO ITS ORIGINAL COLOR.

The whitest and worst looking hair resumes its youthful beauty by its use. It does not dye the hair, but strikes at the root and fills it with new thair, but strikes at the root and fills it with new life and coloring matter.

Mansfield, Feb. 3, 1869.

"The tax is not to be assessed and collected from dealers as it was from manufacturers under the former law; but it is their duty, after the dates named above, to buy stamps from their collector, and properly stamp their tobacco, net so stamped, before offering it for sale; and it is the duty of Internal Revenue officers to exercise the numer vigilance to prevent the sale of unstamped tobacco after the dates named above."

The Best is the Cheapest!

Join the orowd going to Spencer's Art Gallery we must say that we regard them as far superior to the old methods.

We have been instructed in Prof. Andrews's concise and beautiful methods of calculation, and we must say that we regard them as far superior to the old methods.
