expenditures:
I would respectfully call your attention to the recommendations of the Secretary of the Interior for uniting the duties of supervising the education of freedmen with the other duties devolving upon the Commissioner of Educa-

If it is the desire of Congress to make the census, which must be taken during the year 1870, more complete and per-fect than heretofore, I would suggest fect than heretolore, I would suggest early action upon any plan that may be agreed upon, as Congress at its last session appointed a committee to take into consideration such measures as might be deemed proper in reference to the census and to report a plan.

I desist from saying more. I recommend to more formable consideration.

mend to your favorable consideration the claims of the Agricultural Bureau and with a population so largely de-pendent upon agriculture. The bene-its that can be conferred by properly fostering this Bureau are incalculable. I desire respectfully to call the attention of Congress to the inadequate sala ries of a number of the most important officers of the Government. In this message I will not enumerate them, but will specify only the Justices of the Supreme Court. No change has been made in their salaries for 15 years, and within that time the labors of the Court have largely increased, and the expenses of living have at least doubled during the same time. Congress has twice found it necessary to increase largely the compensation of its own members and the duty which it owes to another

department of Government deserves, and will undoubtedly receive, its due

REDUCTION OF THE STATE DEBT. We call attention to the proclamation of Gov. Geary, declaring the payment by the commissioners of the Sinking Fund, for the year ending 30th November, 1869, of \$1,725,597 97 interest, and \$362,762 09 principal of the public debt. Thus we see that under wise Republican management of the finance, the debt is gradually being reduced. Great credit is due to the Financial officers of the State for the faithful manner in -Harrisburg Telegraph.

A panie in a Methodist Church, is from a defective flue, a rush was made for the doors, women and children were fire was extinguished.

It was found necessary to subdue the elephant Romeo, Covington, Ind., lately. To accomplish this he was thrown down and his legs fettered, and then for eight liours he was belahored with stout iron rods, and wounded with feet in a sorry plight, and, as his keeper said, a child could drive him with a rye

GEORGE R. McGEE, late prominent increased. The great war soon arrived, attache, at Cleveland, of the Security and the columns of the AGITATOR gave Life Insuradce Company, has absconded with a large sum of the Company's money. He also oved heavy amounts to parties in Cleveland.

By a recent order of the Alleghany county, Md., School Board, the reading of the Hible in the schools of the County has been discontinued. This action has caused a great deal of comment.

THE Supeme Court of Missouri has

I reccommend this to all those BAILEY, were purchased for the sum of \$850, and with this THE AGITATOR I am acquainted with Mrs. Hannah started. The type used was long primer and brevier; size of sheet 24x34; circulation 650, half of it paying, perhaps.

bing as much more. Dec. 31, 1854, Mr. Bailey retired from the firm, and Mr. DAVID STURROCK came in. The price of the paper was reduced from \$1,50 to \$1 per annum. eash down. This cut down the circulation to 350; but before the end of the year 1855 was ended the circulation had reached 900; and by the middle of 1856 which they have discharged their duty. It had gone above 1000. At that time country papers with 1000 cash subscribers were not common. In fact, we suppose that no county paper in Northern Troy, New York, caused by an alarm of Pennsylvania had so large a circulation. ous expedient. The floor having caught | From this time to 1858 the circulation varied, once touching 1200, but averagscreaming and fainting, the men were ing 950. In 1857 Mr. Sturrock retired seat, while we pursue the even tenor pushing and struggling to escape, when some unexcitable person with great presence of mind, struck up a familiar ing it until Jan 1 1850 when the contract the struck up a familiar ing it until Jan 1 1850 when the contract the struck up a familiar ing it until Jan 1 1850 when the contract up to the struck up a familiar ing it until Jan 1 1850 when the contract up to the struck up a familiar ing it until Jan 1 1850 when the contract up to the struck up to the str hymn, others joined in the air, and ing it until Jan. 1, 1859, when the es- spare no labor or expense in making during the singing partial quiet was restored. During this brief interval the HUGH YOUNG at a small advance upon the original cost in 1854. Mr. Young procured new type for the paper, so that it started out in its fifth year with as handsome a face as any of its contemporaries.

Up to this time not much attention had been given to the local department of the paper. Mr. Young at once made a change in that respect, and the local value of the paper was thereby greatly increased. The great war soon arrived, and the columns of the AGITATOR gave to the public the experience of eyewitness on the field and in camp. In fact the paper during that stormy time contributors are shown as a change in that respect, and the local value of the paper was thereby greatly increased. The great war soon arrived, and the columns of the AGITATOR gave to the public the experience of eyewitness on the field and in camp. In fact the paper during that stormy time contributors are shorted portraits of seven of its lady contributors—the brightly intellectual face of Mrs. Hory Wood matrolizing the younger ladies—Mrs. Moulton, efforence Percy, Elizabeth Procect, Miss Douglas, August Bell, and Mrs. However. Every admirer of these tasted ladies will dosire to see this beautiful plate. The Colored Fashion plate, as usual, shows the latest styles; and there is besides a page of richly colored patterns for Berlin Work. Deacon & Peterson, 319 Walnut Street, Philadelphia. Price SPENCER'S the spear innumerable times. When released from his bonds he rose to his feet in a sorre plight and as his bonds of the paper. Mr. Young at once made the paper during that stormy time constituted a graphic history of events.

In January, 1863, the writer once and goodwill of the establishment, Mr. Young retiring. But little addition had decided a sheriff's deed to be void on been inside to material and fixtures. account of an inadequate description of The paper was printed on a Washington press, and the material for fine work Hon J. D. Morrill has prepared an elaborate bill for funding the national debt at 3 65 100 per cent., and providing for free banking.

Hon J. D. Morrill has prepared an elaborate bill for funding the national debt at 3 65 100 per cent., and providing for free banking.

Hon J. D. Morrill has prepared an elaborate bill for funding the national debt at 3 65 100 per cent., and providing and other things in proportion. When the proportion will be presented for fine work was wanting. But times were hard.—

NEW - YORK TRIBUNE! THE GREAT FARMERS' PAPER!

The Paper of the People. Now is the time to Subscribe for the GREAT FAMILY NEWSPAPER!

It is cheap because Its circulation is larger than that of any other newspaper. NOW IS THE TIME TO FORM CLUBS.

The New-York Weekly Tribune contains all the important Editorials published in the DAILY TRIBUNE, except those of mereity local interest; also literary and Scientific Incilities for doing good work were limited when he came in. The newspaper was enlarged to seven columns, new type procured, and the jobbing room replenished with new styles of type, labor saving appliances, and other improvements, so that, under his energetic management, the jobbing account income for 1866 exceeded \$2,500, and the local interest; also literary and Scientific Intelligence; Reviews of the most interesting and important New Books; letters from our large corps of Correspondents; latest news received by Telegraph from all parts of the world; a summary of all important intelligence in this city and sleewhere; a Synopsis of the proceeding of Congress and State Legislature when in session: Foreign News received by levery steamer: Exclusive Reports of the Proceedings of the Parimers' Olib of the American Institute: Talks about Fruit; Stock, Financial, Cattle, Dry Goods and General Market Reports.

The Fall Reports of the American Institute Farmers' Olub, and the various Agricultural Reports, in each number, are richly worth a year's subscription. HORTICULTURAL DEPARTMENT.

To keep pace with the growing interest in practical Horticulture, and to comply with frequent appeals from all parts of the country for information of a practical character on the subject; we have engaged the services of a person who is experienced in rural affairs to write in a least state a service of articles on the mineracture of and never falling below 1,750. THE
AGITATOR will close its 16th and enter
upon its 17th volume with a larger number of subscribers than ever before,—
"Progress and Improvement" has been
Mr. Van Gelder's motto from the
first; and now the establishment has
all the modern inprovements, save
steam power, and can compete, as for

VETERINARY DEPARTMENT. There are many subjects not alluded to in the Message which might with propriety be introduced, but I abstain believing that your patriotism and statesmanship will suggest the topics of the enterprise of the whole people. On my part I promise a rigid adherence to the laws, and their strict enforcement.

Serious Affair in Milo.—The Dandee Expositor has an account of an attempted shooting affair happening in Milo. Yates county, in which Aff. Charles Lewis and Mr. Andrew Guller were the principal actors. The facts of the work with a life limit for office as as the Expositor learns from neighbors of both parties, are as follows: We remained the active judges. Every man fit to sit weekly on vincing to in the Message which might with proporticed in the decidedly convincing presses, machlinery, type, and work manship, with any printing office out its agricultural readed of the cities. Ten years ago all work was done on a hand press, 250 tm where. That the daily will have all work was done on a hand press, 250 tm where. That the daily will have all work was done on a hand press, 250 tm where. That the daily will have all work was done on a hand press, 250 tm where. will do well to call and see my stock before purchasing elsewhere. Delivered at the depot, Wellsboro, Mansheld, Lawrenceville and Blossburg, free of charge. All orders promptly filled.

Tioga, Dec. 8, 1869-19* TORWAY OATS FOR SEED !- I this year raised 847 pounds of Norway cats from 8 pounds of seed; and I offer them for seed at the rate of \$6 per bushel. Samples may be seen at T. L. Baldwin & Co's Tiogs, C. S. Mather's Law-renceville, John Redington Middlebury, and at the Agitator Office. Sowed on 40 rods of ground. Egot the seed from D. W. Ramadell & Co., New York. Address, Jos. Guiles, Lawrenceville, Pa. Dec. 1, 1869-3w.

MONEY LOST.—Lost, in Wellsboro, on the 18th inst., an envelope containing \$56— 1 \$20 note, two \$10, and the balance in small denominations. I will pay a reward of \$10 to the finder who will deliver the same to me. My name was on the package.
Nov. 24, 1869. GEO. E. CRYSLER.
