violable; when any of them dare predeveloped an idle expanse into a rich sume to lesson, affront, or terrify those who have the distribution of it in their hands; when a Judge is capable of being influenced by any thing but law, or a cause be recommended by anything that is foreign to its own merits, he may

venture to pronounce that such a nation is hastening to its ruin. I always rejoice, when I hear that persons instituting suits in courts of law, are men of upright and inflexible tempers, who in the execution of their country's laws, can overcome all private fear, resent-

rather lavish in aid of this great enterment, solicitation, and even pity itself. Such men are to be reckoned among the present and thought of its future, wo'ld greatest national blessings, and should to-day vote to recall the gifts of land have that honor paid them, whilst they and loans of credit, and consent to blo are yet living; which will not fail to rown their momenty when dead. While country : centers are crowning wes ever feeling enters into a sentence or along its line. Towns are springing up decision, so far will there be in it a tincture of injustice. In short, justice discards party, friendship, kindred, and is therefore always represented as blind, profits of such a highway, they have that we may suppose her thoughts are been dissipated; and it is now shown wholly intent on the equity of a cause, without being diverted or prejudiced by objects foreign to it. The greatest evils Along the line of the road, the reserved in society, are such as no law can reach; public domain is to-day worth as much on such an occasion shall it be possible as the whole was worth before the road for the criminal to escape? and is it not was subsidied, and doubtless more. lawful to condemn persons who live

Was this land grant an extravagance within the law and do base things?-Not if the residue of the public domain Shall we not use the protection of those is worth as much now as it was before laws to punish them, which they have the grant was made. The nation wants to defend themselves, and raise merit no unimproved lands. If by judiciousfrom obscurity-attacking vice by setly giving half of it away, the balance ting innocence in a proper light? As

can be brought into market, sold to and this produces elegant writings and galimproved by actual settlers, within a lant actions in men of great ability, it century, then to give the half away i also, as in the case of Mr. Graham, economy. It is business. It goes for brings forth spurious productions in little that the nation offers its lands for men who are not capable of distinguishing themselves by things which are really praiseworthy. As the desire of ing got to them, can get to market with fame in men of true wit and gallantry their produce. No settler wants to go shows itself, in proper instances, so the out of the world for a farm because it is same desire in men who have the amcheap. Land is not cheap at any price, bition, without proper faculties, runs wild, and discovers itself in a thousand provement are wanting. We submit extravagances, by which they would therefore, that the interest of the na signalize themselves from others, and gain a set of admirers. But while we know there are many such persons, we know, also, that there are many noble souls filled with lofty impulses, and that there are "friends that come to tried ones like as ministering spirits."

Had the Public Ledger been controll-If there is so much vice among mankind, and so much goodness, shall not the efforts of our lives be to diminish the evil, and the good increase? which was on the Lumberman's Na- have opposed it as a swindle, or a great
