THE WAR IN EUROPE.

On the 16th instant, there was an exciting session of the Corps Legislatif.—M. Thiers took strong ground against the action of the Government in declaring war for so slight cause. He claimed that France had received satisfaction of Prussia, and that war was made on her for a mere formality. Prime Minister Ollivier answered that it was impossible for the Government to do otherwise than it had done—that he should leave the Ministry, unless this course were adhered to. A motion was made to call for all the correspondence with Prussia, and seconded by Monsieur Jules Favre, who asserted that France could not make war on authority of a telegram. The resolution was defeated by a large majority and great indignation was or

In the progress of the excited discussion, Ollivier was compelled to admit that France declared war because Rrus-eia had insulted her Embassador and refused to receive him. He said: "We will tell the whole truth. What we could not endure, was the semi-official communication to all Europe of the re-jection of our Embassador, all the more significant because done in the most courteous terms." "The right," says courteous terms." "The right," says La Liberte, a vehement war organ, "received M. Ollivier's speech with consternation." M. Thiers attempted to

M. Thiers: It is to a blunder that wo owe war. M. Ollivier has evaded the question. Prussia ought to have been German States; then war would have been legitimate, and we should have been sustained. Cleanse the Blood. WITH corrupt or tainted Blood you are sick all over. It may burst but in Pimples, or Sores, or in some active disease, or it may merely seep you listless, depressed and good for nothing, But you chunch have good health while your blood is impure.—

Ayer's Sarsaparilla burges out these of life into vigorous action. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula, or King's Evil, Tumors, Utcers, Sores, Eraptions, Pimples, Blotches, Boils, St.

Ulcers, Sores, Eraptions, Pimples, Blotches, Boils, St. Authony's Fire, Rose or Rrysipelas, Tetter or Ealt Rheum, Scald Head, King Worm, Cancer or Cancerous Tumors; Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Sterliity, also 35-philis or Veneral Diseases, Liver Complaints, and Heart Diseases. Try Ayer's Sarsaparilla, and see for yourself the surprising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by laige bottles pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curitive ingredient whatever: Hence, bitter disappointments has followed the market, until the name itself has become synonymous with imposition and cheat. Still we call this compound, "Sarsaparilla," and intend to supply such a remedy as shall rescue the name from the load of obloady which rests upon it. We think we have ground for believing it has virtues which are irresistible by the class of diseases it is inteded to cure. We can assure the sick, that we offer them the best alterative we know how to produce, and we have reason to believe, it is by far the most effected purifier of the blood yet discovered.

Ayer's Cherry Pectoral is so universally known to surpass every other modicine for the cure of Coughs, Colds, Influenza, Hoarseness, Croup. Bronchittis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues.—

The world knows them.

Dr. R. W. Carr of Baltimore, says:
Itake pleasure in recommending your RosanatIs as a very powerful alterative. I have seen it
used in two cases with happy results—one in a
case of secondary spyblils, in which the patient
pronounced himself cured after having taken five
bottles of your medicine. The other is a case of
scrofula of long standing, which is rapidly improving under its use, and the indications are
that the patient will soon recover. I have care
fully examined the T-mula by which your
