We have put her down some reclined leisurely upon the ground; some, s, for the sake of the name, and if she more absent than present, wandered off alone, and Ja New York. We have put her down scredit on it, we shall not proceed for at of our trade mark. From the num of a craft; but we like the colors she taking a sunday-fifteneous nap, so still did it he broave and if the stand fast and sleep among the steeples and in theshado of its

PIC-NIC .- Early last week it was anbrief law passed by the Forty-first Congress, just before adjournment on the 15th ult., makes the nounced by cards through the post office, that certain of the citizens of Wellsboro were invited following provisions: It repeals all special taxes on business and pro-fessions, such as have been paid by wholesale and rotail dealers, brokers, lawyers, manufactur-ers, &c., excepting distillers, rectifiers, brewers, and dealers in liquors and tebácco; the special taxes (or licenses) in that class remain as before. The repeal takes effect only on and after May, 1871, and until that time annual and practical licenses will be required of all doing husiness and bases and the taxes and the special doing husiness and until that time annual and practical licenses will be required of all doing husiness following provisions : to attend a Pionic at S. Dickinson's Grove, Thursday Aug. 4, 1870, at 10 A. M. The following gentlemen and ladies were named

on the cards as committee of arrangements : GENTS. LADIES. Miss Clara Calkins, Mrs. L. C. Bennett. " P. C. Van Gelder. " M. M. Converso. Walter Sherwood, J. R., Barker, L. C. Bennett. J. B. Potter. " W. Sherwood. J. W. Bailey. E. H. Robinson. " M. F. Elliott.

subject to the present special tax. On and after the first day of October next, the taxes on sales of merch ants and manufac-turors ceare, excepting those imposed upon sales of tobacco, cigars, wines and liquors, and such as are paid by stamp. On and after the first day of October next, the taxes on carriages, gold watches, billiard tables, cold and silver plate, on heats, barges and fots W. T. Mathers. Miss Hattie Truman. These names gave assurance of success from e beginning. Many others took active part in the preparation, and all things seemed harmoni-

our throughout. No pains were spared to make gold and silver plate, on boats, barges and flats, gold and silver plate, on boats, barges and flats, on legacies and successions, on passport, and on receipts of express, telegraph and insurance com-panies, ferries, railroads, canals, stage coaches, theatres, circuses, operas and museums, are to every arrangement for the enjoyment of the invited guests. Particular credit is due two young gentlemen for presenting a certain paper to others for their autographs in such a winning way as to

raise the 'wherewithall' to meet the incidental ex-On and after October 1st, the stamp tax or promissory notes for a sum less than one hundred dollars, and on all receipts, and on canned and penses. They would do well to be placed on the financial committee, to raises a church-buildingfund, provided their sympathies could be as heartily enlisted in such a cause as they seemed to be in this. It might be necessary, perhaps, to 'have been once duly stamped. 'Papers requiring make a hall in the basement to be devoted to a stamp, and which have not been stamped, may be presented to a collector of internal revenue, such innocent pastime as the spirit of the times who is required to a fix the proper stamp, in pay-ment for the stamp and double the amount of the tax remaining unpaid—in no case to be less than five dollars. This penalty has heretofore been and place should prompt. We think the incidental expenses cost between two and three hun-

fifty dollars.

dred dollars, and we judge the amount was cheerfully subscribed. Meetings of the "Committee" were very fre-

years, is at the rate of two and a half per cent. uent, and we noticed that it grew on one side of upon all incomes exceeding two thousand dolthe house to be about as large as a female semi- lars. No person whose gross income does not nary, turned out in charge of the matron on a exceed two thousand dollars, is required to make any return to the assessor; but the assessor has fine summer evening, to catch the odors of the noe summer evening, to catch the odors of the the power to make an assessment according to flowers and the meadows in the by-ways of the his best means of information, in cases where a country. We recall such "general trainings," person who has an assessable income neglects of from our early life, when we thought it oruel refuses to make a return, or makes a false and fraudulent return, and to add a penalty of fifty per cent., as under the former law. The publi-cation of income returns is prohibited, except that the boys wont one way, and the girls were led another. Here they seemed to mingle. Of secret history of these proceedings we may not speak. Gentlemen were busy with, matters of weight: the ladies with those of decoration and refreshment. There were rambles to the woods

refreshment. There were rambles to the woods savings institutions, insurance, railroad, canal, turnpike and navigation companies, and upon all for evorgreens, and frequent rides to the grounds on errands for the general welfare we suppose. the divided profits of any such corporation, which have accrued and been earned and added to any Mr. A. P. Cone furnished lumber for a platform 32 by 70 feet. The boards were planed and laid those cases which touch the feelings of down on a solid foundation in an arbor which

have accrued and been earned and added to any surplus, contingent or other fund. The tax of five per cent, on dividends is repealed. The ton-nage tax on boats trading between different ports or points in the United States, is repealed. Taxes upon bequests and devises, or transfera-by deed, grant or gift; made or intended to take effect after the death of the granter, in trust, or otherwise for her will be a state of blockers of blockers. scemed intended by nature for such a purpose.-The maples stood all about it, and their friendly branches kept silent watch together overhead .----All through the day and night of Wednesday, otherwise, for the public uses of a literary, char ' Fir itable or educational character, ard repealed ; and wille. we had frequent showers, one as late as five Thursday morning. Morning dawned in a such taxes already levied under the former law are not to be collected. Tobacco may be put up shower and the cloads long obscured the sun .--in metalic packages. Collection districts may be consolidated, when-Fair faces augued disappointment. "After we have taken all this pains, to have it rain" was ever the President thinks the expenses of colplainly written. "Too bad! too bad !". And wo letting the revenue may be promoted thereby, thought it would be too bad also. But hope without decreasing the efficiency of the service.

All essistant assessors employed in assessing suc-cossive and other taxes now repealed, are 'to be dismissed, and the number of assistants reduced as far as practicable.—Elm. Adv. pierced the clouds and they disappeared. The sun shone out at an early hour; a very nice breeze set in, and very soon it was apparent that the day would be all that could be wished. At oon the sun was warm, the ground dry, the

Stevens confined himself exclusively to the causes of the War, reserving the narrative of the ac-tual struggle for the second and concluding vol-tume. The success of the former volume was ex-traordinary, reaching a tale of ovor 60,000 copies If then that portion of the work which of ne-cessity was the drycet—if, any part of this mag-inficent production can be called dry—has met How soon will the Great es of the War, reserving the narrative of the ac-Reaper harvest all, and the years tie up our hope a a bundle of forgettulness! The crowd began to increase. The platform vas overflowing, Mooro and Whetmore's band furnished the music. The sun was not low when

cessity may the dryest--if, any part of this mag-nificent production can be called dry--has met with such a wonderful and rapid sale, what are the dancing began It was a pretty thing to ook upou-those who should know, say it is beter to take part in it. we not warranted in predicting for the second, in. er to take part in it. Tho call to dinner was the signal for a sudden ush for now scenes. There was something out which the thrilling story of the most terrible and destructive war of modern times, is told with all that way that needed attending to. The long lines of sents about the tables were not sufficient for the facination of romance and fall the sublimity

of truth. Mr. Stephens slights no feature of the War, and his work reveals a particularly inter-esting and facinating portion of its history, which has never been made public until now... He goes to the bottom of the second movement, and gives the confidential history of the Convonall. On the ground there was room for all The sods fountain of Mr Sears dispensed a cool and acceptable beverage to those who cared for it.-fbe sun suck low, and at length was down. The crowd had mostly departed to return at evening. Coming back, the ornamental lanterns gave a tion which formed the Confederacy: The voxed question of the uon exchange of prisoners of war arellow light to all around the stage, and the The crowd was very large; comparatively faw could dance, till about eleven o'clock, when the What will strike the practiced reader most favorably, however, is the fact that Mr. Stophens' narrative is free freu, bitterness; and sectional feeling. 'He writes with that calm dignity which is always the historiah's most effective weapon, weighing facts according to their merits, and ar-

are wanted in every county.
