LITTLE BITS.—Several communications are unavoidably crowded out this week.

—The Wellsboro Dramatic Association will play each night during the Fair in their new Opera House in front of the Court House.

—The "Stars" of Tioga, and the "Actives" of Wellsboro, will play a game of Base Ball, on the grounds of the latter, on Wednesday, at 1 o'clock P. M.

—Col. Bunnell of Towanda, has taken possession of R. D. Holliday's hotel, and opens as if he know what a good hotel should be.

FREE LECTURE.—Prof J. P. Wickersham, State Superintendent of Common Schools, will lecture in the Court House this (Wednesday) evening, on the subject of Graded Schools. We hope many of our citizens will be present.

WICKHAM & FARR, Tioga, Pa., have again been filling their store with a nice, fresh stock of goods. Their line of domestics was bought before the recent advance in prices, the realization of which fact customers will find greatly to their advantage.

BOLD ROBBERY.—On the night of the 10th instant, the boot and shoe store of Stevens & Mack, at Nelson, was broken open, and a pair of kip boots was taken therefrom. Look out for thieves, for they travel about nights when honest men are asleep.

PASSED AWAY.—Samuel Kemp, an old resident of Jackson township, died at his residence on Alder run, Sept. 6, aged 66 years.

Mr. Kemp was a great sufferer from a cancer on his lip, which completely destroyed the lower lip and a greater portion of his face. Everything was apparently done to save life, but the disease continued its work until life gave way to its destroyer. The deceased, in company with his two sons, enlisted and served the government heroically in the late war, until his health was so greatly impaired that he was discharged and sent home.

Thus a heavy bereavement has fallen on a large circle of friends—friends, who with tearful eyes bent over the bier of the loved one, whose departure left a void as deep as it was sorrowful. The solemnity of the occasion was only equalled by the grief which possessed all hearts. A good and true man has thus passed away, whose memory will be long cherished in the hearts of loving friends, and whose example can only be practiced by those who live to make the world better.—Peace to his ashes.

OBITUARY.—Died at Mitchell Creek, Tioga co, Tuesday, Sept. 13, Wm. K. Mitchell.

He was born, on the farm where he lived all his life, Dec. 4, 1810. He was the youngest son of Richard Mitchell, who settled at Mitchell Creek at a very early day. Edsel Mitchell, who died a month before, was his oldest brother. But one of the four sons now remains. This is Richard Mitchell, who recently left his farm and now resides at Tioga. He stands alone now, and the white frosts of many years of active life are upon his head. We no more ask, Who will be the next? So, as the young mature and take their places in the busy world, the old fall and are falling all about us, till we begin to look upon all human life, however vividly spread out before us, as a deserted plane, in which the scattered trees grow dim to the view at first, and then faint from sight, as we ourselves become more engrossed in the pressing activity of life, always asking effort of all. Yet we recall them all at the hour of leisure remembrance, and treasure their kind acts and manly deeds.

Since Edsel Mitchell died, four pioneers of the same section have passed away—Mrs. Elliott, Samuel Westbrook, Samuel Kemp, and the subject of our sketch. They all knew the hardships of life in a new country, though, as Mr. Mitchell was the youngest, his life has been more like our own.

He was an active business man, an earnest politician through all these late stormy years, and an ardent, determined patriot all during the late war. We shall never forget his hearty handshake and patriotic words, which we left all our friends for the army. To the resolution of such men we owe our success in that war. Nothing so much cheered the soldier, as to know that earnest hearts and heroic men and women remained to keep down the fire in the rear, which, alas, too many were but too willing to kindle. He was a kind hearted man, and one who never forgot an act of friendship, though he might seem to be unmindful when overwhelmed with the cares and duties of a struggling life, which come upon us all. He was a born sportsman. He never laid aside his rifle or his fishing rod.—Fishing and hunting were his medicine. If he felt ill or feel well, he prescribed a trip of hunting or fishing to Pine or Kettle creek. He would even lay aside his pressing business at home for one, and when he did so, he laid aside all care, and enjoyed the respite hugely. He was as familiar with all the woodpaths, creeks, hills, hollows and "runways," as we are with the streets of Wellsboro. And with all his hours full of business cares, he was a constant reader of current opinions and news, and took great interest in the progress of the times in which he lived.

He leaves a large family—a widow and several grown children. His wife is a daughter of the veteran Baptist Minister, Elder Sheardown. He was buried in the cemetery at Tioga, on the 15th. The services were conducted by Rev. A. B. Chase, pastor of the Baptist church at Tioga, of which deceased had been a member for many years. A very large number of citizens attended the funeral.

We cannot close this notice, without some feeling of growing years creeping over us, nor with out the thought that death is coming nearer to us!

YOUNG AMERICA, for October, is full of fine illustrations, spicy and instructive stories, and much to amuse the juveniles. Demorest is achieving a great success in Young America. He is also giving splendid premiums to each subscriber. Address W. J. Demorest, 838 Broadway, New York.

A SPLENDID MAGAZINE.—The fashions in Demorest's Illustrated Monthly, for October, are authentic and original. Its Ladies' Club affords valuable and interesting information upon all subjects, and it is the best magazine for the utility and ornamentation of the household. Address W. J. Demorest, 838 Broadway, N. Y.

HARDWARE.—Our genial friend, Mr. J. Scheffelin, Jr., of the Tioga hardware store, has just received an awfully large stock of stoves, of the best and most desirable patterns, besides an endless variety of various hardware, and at prices so low as to astonish the natives. The people of Tioga and vicinity should appreciate the enterprise thus exhibited, by sending in their orders and coming down with the greenbacks.—At all events, everybody should drop in and see if our statement is not fully carried out to the letter.

DENTISTRY.—C. N. Dartt, dentist office in Wright & Bailey's Block, where he continues to make teeth with the new *Improvement* which gives better satisfaction than any thing else in use. To be had at Dartt's only.—Aug. 42 1870.—tf.

MARRIAGES.

RUSSELL—HEISE.—on the 15th inst., by Rev. J. F. Calkins, Mr. William O. Russell, and Miss Maria E. Heise, both of Delmar Pa. The printers were bountifully remembered, and wish the young couple a long, happy and prosperous life.

At the house of the bride's mother in Middlebury, Tuesday 13th, inst., William A. Stone Esq., of Wellsboro, and Miss Ellen F. Stevens, of Middlebury.

The Tioga Bar is growing in numbers and importance. This is the third instance of pairing off at the altar within the year. The County seat is the place to do law business. Courting at a distance is a profligate waste of precious time and golden opportunity. He prefers *domestic to foreign* attachments. So our friend Stone marches off, early on a September morning, and takes one of our worthiest damsels from the parental roof without original writ or judicial warrant.

We supposes he bases his action on that law of Holy Writ, which says: Go ye forth and study the multiplication table. (Not having a copy of that Law at hand, we quote from memory.)

DEATHS.

A dear one has gone, we cannot tell why,
Yet Jesus a comfort hath left,
What I do, thou not now, but hereafter shall know "Said Jesus, when nigh unto death."
We see him no more
But our grief shall be o'er
For Jesus' comforting word.

SPECIAL NOTICES.

SHINING LIGHT OF SCIENCE and discovery that electricity and magnetism are developed in the system *from the iron in the blood*. This accounts for the debility, low spirits, and lack of energy a person feels when this vital element becomes reduced. The Peruvian Syrup, and protoxide of iron, supplies the blood with its iron element, and is the only form in which it is possible for it to enter the circulation.

TUMORS, CANCERS, ULCERS

Without the use of the knife, no plaster, no caustic paste, no escharotic treatment, no pain, no inconvenience. The most formidable cases of Cancer, Tumor, Ulcer, or Fistula, yield to this new and wonderful treatment. The Chemicated Oxygen, or Ozone, so combined by Dr. Ake, is specific in its effect. It separates the chemical elements of cancerous growths, so that they shrivel, die and disappear and will not return. All those afflicted can call on the Professors Buchanan & Down, University, or address, No. 514 Pine Street, Philada.

How to Look Young—Sixteen.

Don't paint or use vile Hair Restorers, but simply apply Hagan's Magnolia Balm upon your face, neck and hands, and use Lyon's Katharion upon your hair. The Balm makes your complexion pearly, soft and natural, and you can't tell what did it. It removes freckles, tan, sallowness, ring-marks, moth-patches, etc., and in place of a red, rustic face you have the marble purity of an exquisite belle. It gives to middle age the bloom of perpetual youth. Add these effects to a splendid head of hair produced by the Kathairon, and a lady has done her best in way of adornment. Brothers will have no splinter sisters when these articles are around.

ALABAMA CLAIMS. We are informed that the most persistant and unyielding of the private citizens who have claims vs. the British Government are Dr. J. C. Ayer & Co., of Lowell, Mass., the manufacturers of medicines. They will consent to nothing less than that their demand for medicines destroyed by the British pirates shall be paid in gold and in dollars to the last cent. They are embittered by the fact that the destruction of their goods by the English in China and elsewhere (for where are not the thoughtless nation trampling upon somebody?) have hitherto been paid in full, and they now say that they shall be. They however propose this compromise:—Give us Canada and we will call it even, because we can then send our remedies there without duty. [Washington News.

ANNOUNCEMENTS.

Mr. Allen Daggett of Lawrenceville, announces himself a candidate for the office of Sheriff, the ensuing election.

Mr. M. D. Willhelm, of Knoxville, offers himself as a candidate for Sheriff, subject to the decision of the Republican party.

Mr. Samuel F. Ripley, of Richmond township, offers himself a candidate for the office of Sheriff, subject to the decision of the people.

I hereby announce myself as a working mans candidate for Representative, subject to the decision of the free and independent voters of Tioga County, on the second Tuesday, of October next, free from all parties, rings, cliques, and monopolies, of whatever nature, manner kind and favoring a law, that will allow no man, or company of men to own more than one hundred acres of land, within the bounds of the County, and that the owner must reside upon. Also a system of free railroading. And a law to secure to labour its pay from the real estate upon which it labours. These are my views based upon an equal destribution of real estate in a Republic, as against a landed aristocracy in the same, which time, with the present system will build up. ALBERT H. LANDIS.

Attention is called to the following amendment to the Constitution of the United States, and the laws enacted to enforce its provision:

The Fifteenth Amendment of the Constitution of the United States is as follows:

"Section 1. The right of citizens of the United States to vote shall not be denied or abridged by the United States, or by any State, on account of race, color, or previous condition of servitude."

"Section 2. The Congress shall have power to enforce this article by appropriate legislation."

The Congress of the United States, on the 31st day of March, 1870, passed an act, entitled "an Act to enforce the right of citizens of the United States to vote in the several States of this Union, and for other purposes," the first and second sections of which are as follows:

Section 1. Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled That all citizens of the United States, who are, or shall be otherwise qualified by law to vote at any election by the people, in any State, Territory, district, county, city, parish, township, school district, municipality or other territorial sub-division, shall be entitled and allowed to vote at all such elections, without distinction of race, color, or previous condition of servitude; any Constitution, law, custom, usage, or regulation of any State or Territory, or by, or under its authority, to the contrary notwithstanding."

"Section 2. And be it further enacted, That if by or under the authority of the Constitution or laws of any State, or the laws of any Territory, an act is or shall be required to be done as a prerequisite or qualification for voting, and by such Constitution or law, persons or officers are or shall be charged with the performance of duties in furnishing to citizens an opportunity to perform such prerequisite, or to become qualified to vote, it shall be the duty of every such person and officer to give to all citizens of the United States, the same and equal opportunity to perform such prerequisite, and to become qualified to vote without distinction of race, color, or previous condition of servitude; and if any such person or officer shall refuse or knowingly omit to give full effect to this section, he shall, for every such offence, forfeit and pay the sum of five hundred dollars to the person aggrieved thereby, to be recovered by an action on the case, with full costs and such allowance for counsel fees as the court shall deem just, and shall also, for every such offence, be deemed guilty of a misdemeanor, and shall on conviction thereof, be fined no less than five hundred dollars, or be imprisoned not less than one month and not more than one year, or both, at the discretion of the court."

The Legislature of this Commonwealth on the 6th day of April, A. D 1870, passed an act, entitled "A further supplement to the act relating to elections in this Commonwealth," the tenth section of which provides as follows:

"Section 10. That so much of every act of Assembly as provides that only white freemen shall be entitled to vote or be registered as voters, or as claiming to vote at any general or special election of this Commonwealth, be and the same is hereby repealed; and that hereafter all freemen, without distinction of color, shall be enrolled and registered according to the provisions of the first section of the act approved seventeenth April, 1870, entitled "An Act further supplemental to the act relating to the elections of this Commonwealth," and when otherwise qualified under existing laws, be entitled to vote at all general and special elections in this Commonwealth."

Wellsboro Union Graded SCHOOL.

A. C. WINTERS, A. M. SUPERINTENDENT OF GRADED SCHOOLS,
And Principal of High School.

IT is the determination of the Directors to make the course of instruction as thorough and systematic as can be found in the State.—Commencing with the primary department, the pupil must *master* every year's allotted work, before being admitted to the next higher.

The best of teachers will be employed in every department, the most approved methods of instruction used, and the best of care exercised over the pupils in school and out.

The High School offers these advantages:—The Principal is a graduate of the Rochester University, New York, a gentleman of large experience in the best conducted schools of the country, who has spent two years in Europe, and speaks *German, French* and *Italian*. He is qualified to give superior instruction in *History, Fine Arts* and the *Ancient Languages*. Instruction in *Higher Mathematics*, the *Sciences, Bookkeeping* and *Music*, will be equal to that of the best academies.

The Board hope to soon be able to secure instruction in *Painting* and *Drawing*, by a lady who has had several years' instruction by the best masters in Germany, and who has practised in the Galleries of Berlin, Dresden, Munich and Florence.

The *best* school is the *cheapest* school. The Board intend to obviate all objections to this class of popular schools, as far as possible. A sufficient corps of teachers will be employed, that full justice may be done to every pupil.—Tuition is free to all within the old borough limits. Pupils from abroad are invited. Board in private families from $3 to $4 per week.

Tuition, Common English, (per term, $5.

Wellsboro Union Graded SCHOOL.

A. C. WINTERS, A. M. SUPERINTENDENT OF GRADED SCHOOLS,
And Principal of High School.

IT is the determination of the Directors to make the course of instruction as thorough and systematic as can be found in the State.—Commencing with the primary department, the pupil must *master* every year's allotted work, before being admitted to the next higher.

The best of teachers will be employed in every department, the most approved methods of instruction used, and the best of care exercised over the pupils in school and out.

The High School offers these advantages:—The Principal is a graduate of the Rochester University, New York, a gentleman of large experience in the best conducted schools of the country, who has spent two years in Europe, and speaks *German, French* and *Italian*. He is qualified to give superior instruction in *History, Fine Arts* and the *Ancient Languages*. Instruction in *Higher Mathematics*, the *Sciences, Bookkeeping* and *Music*, will be equal to that of the best academies.

The Board hope to soon be able to secure instruction in *Painting* and *Drawing*, by a lady who has had several years' instruction by the best masters in Germany, and who has practised in the Galleries of Berlin, Dresden, Munich and Florence.

The *best* school is the *cheapest* school. The Board intend to obviate all objections to this class of popular schools, as far as possible. A sufficient corps of teachers will be employed, that full justice may be done to every pupil.—Tuition is free to all within the old borough limits. Pupils from abroad are invited. Board in private families from $3 to $4 per week.

Tuition, Common English, (per term, $5.
" Higher English, Mathematics, &c., $8.
