AIR LINE.-Messrs. Sol Bunnell, of Wellsporo, and E. M. Smith, of Tioga, have purchased the Air Line stage route of F. D. Bun nell & Co. The arrangement of two stages a day, maugurated by Mr. Bunnell, has been a great accommodation to the people Mr. Haz lett at once put on an extra, and the opposition made the business lively throughout the season. The connections are such that one can take the morning line, go to Elmira, and have an hour or at 5 o'clock. The facility of communication is te much increased, that the travel on the route has nearly doubled, and we judge that both lines
