that this is not a thing which the wit Communion will no longer have the appearance at times of a Spiritual Siberia 1

We have said that the subject thus briefly touched upon presents itself in a two-fold aspect. We reserve the remaining remarks for next week's colhead." umn! ·

The Agitator. P. C. VAN GRLDBR, Editor. Wellsborough, Pa.: Wednesday, March 15, 1871.

XLIST AND XLIMA CONCRESSES. On the 4th of March, at 12 M; Mr Colfax declared the session of the Senate of the 41st Cougiess at an end, and the organization of the new Slenate was immediately proceeded with. Seven-

table. and the state that the state bills were finished, and at 12 o'clock. M., the session of the House of the 41st Congress closed. In the new House 222 members answered to their hames The vote was then taken for Speaker the candidates being James G Blaine Republican, and George W. Morgan Democrat. Mr. Blaine was elected by a vote of 126 to 93. The other officers elected all Republicans, were Edward M'Pherson, Clerk; N. G. Ordway, Sergeant at Arms; O. S. Buxton, Door keeper; W. S. King, Postmaster; and J. G. Butlor, Chaplain. These were all officers of the last House. A resolution was passed to adjourn sine die 8th of March. The swearing in of the members from Tennessee and Missis-

sippi, and of Mr. Waddell, from North Resolved, By the Senate, dec., That hereafte 'Caroling, was objected 'to,' but the ob iections were finally overruled, and the members sworn in. The House then drow for seats, and adjourned, until 8th of March. About two hundred bills were left undisposed of in the House, and nearly the same number in the Se This was referred to the Committee nate, of the 41st Congress. on Indian Affairs, who reported favor-

The 42d Congress met at noon, March ably on the 1st instant, and the report was adopted, after a short discussion 4, and organized. In the new Senate and some explanation for the benefit of there are 58 Republicans, 15 Democrats, and one vacancy. The last Senate stood some members who thought it might disability contracted in the service, are 63 Republicans and 11 Democrats. It ratify treaties heretofore made, and in- entitled to receive one hundred dollars is rumored that Messrs. Clayton, of Ar- cidentally confirm such grants as have bounty. It is evident that the Senate kansas, and Alcorn, of Mississippi, will been made under those treatles to Jas. not accept their seats. It is understood | F. Joy and others, which have liereto-

HOMESTEAD BILL AND BOUNTY LAW. "Let the Copperheads of the reballion save that this is not a thing which the wild of mani has brought into the world in this is not a thing which may be superseded by the product brought into the base solution to have been a rebel, so presented be superseded by the product brought into the base solutions. Where are based to be been and the product brought into the base solution to have been as the solution of the second mean of the solution in this is not an interval we will be based to be been and the product as solution of the comparison of the solution which may be superseded by the product brought into the base solutions. Where are been and the product is the solution of the solution in the solution of the solution in the solution in the solution of the solution is provided to be been and the solution is provided to be been and the solution of the comparison being has not be been and the solution of the party to which the man of the solution will no longer have the the party to which the man of the solution will no longer have the the solut of the war, nor sochlored in the solution will not longer have the the solut of the war, nor sochlored in the solution of the result of the war, nor sochlored in the solution of the result of the war, nor sochlored in the solution of the result of the war, nor sochlored in the solution of the result of the war, nor sochlored in the solution of the result of the war, nor sochlored in the sochlored in the result of the war, nor sochlored in the sochlored in the sochlored in the result of the war, nor sochlored in the result of the war, nor sochlored in the sochlored in the result of the war, nor sochlored in the result of the result of the war, nor sequilized in the set. the result of the Union, and through its organs in the press derides those of the late rebels who The good point in this is, that the lobthe press derides those of the late rebels who have done both; while in Virginia, by a strict party voit, it orders a portrait of Gen. Lee. Carrying water in a sieve is easy labor, accupated with that of proving the patriction of a Copperbylsts and all those interested in miscellaneous legislation are; in despair,
