Just published, a new edition of Dr. Oniverwell's Ociebrated Essay on the radical cure (without medicine) of Sperimatorshees, or Seminal Weakness, Involuntary Saminal Losses, Impotency) Montal and Physical Incapacity, Impediments to Earriage, etc., also Consumption, Epilepsy, and fits, induced by self-indulgence or sexual artirayspance.

Price, in a seated envelope, only 6 cents.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the daugerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain and effectual by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.
