Every year increases the popularity

of this valuable Hair Preparation;

assure our old patrons that it is kept

fully up to its high standard; and it is the only reliable and perfected prep-

soft, lustrous, and silken. The scalp,

by its use, becomes white and clean.

It removes all eruptions and dandruff,

and, by its tonic properties, prevents

the hair from falling out, as it stimu-

By its use, the hair grows thicker and
