This wholesome provision of law was totally disregarded by these Timber Lands

This is a fair illustration of Democratic precept and practice. That party is markets, favor this locality. Inquire of expenses of the previous Republican

nable, they contain no mercury or mineral whatever. Much sorious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the Pills with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by Ayor's Pills, and stimulated into action. Thus inciplent disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any longth of time, so that they are ever fresh, and perfectly reliable. Although searching, they are minkl, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these Pills rapidly cure:—

For Dyspepsia or Endigestion, Listlessess.

Fills rapidly cure:—
For Dyspepsia or Indigestion, Listlessness, Languor and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.
For Liver Complaint and its various symptoms, Bilions Headache, Sick Headache, Jaundice or Green Sickness, Bilions Colic and Bilions Tevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dysentery or Biarrhoea, but one mild dose is generally required.

For Bheumatism, Gout, Gravel, Pale pitation of the Heart, Pain in the Bide, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change these complaints disappear.

For Dropsy and Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drastic purge.

Tor Suppression, a large dose should be taken, as it produces the desired effect by sympathy. taken, as it produces the desired effect by sym-pathy.

As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often inds-times dose of these Pills makes him feel decidedly better; from their cleansing and renovating effect on the digestive apparatus.
