

The Agitator.

CIRCULATION.....1,900.
P. O. VAN ELDEN, Editor and Proprietor.
Wellborough, Pa.
Wednesday, Nov. 15, 1871.

Gold closed in New York on the 9th at 111 1/2.

The remains of General Anderson, who so nobly defended Fort Sumter, will be conveyed to this country in the U. S. frigate Guerriere.

A terrible explosion occurred Nov. 9, in a coal mine near St. Etienne, in France, while the gangs were at work. None of the men had yet been recovered alive. Twenty-two bodies have been taken out, and twenty are still in the pit, all of them supposed to be dead. The explosion was caused by fire damp.

Ohio of the Democratic delegates to the Rochester Convention has been sent to Sligo Sing for five years for robbing emigrants. The Tammany leaders will all be there soon. Why would not Sligo Sing be a good place to hold the next Democratic Convention.

CINCINNATI, Nov. 9.—A passenger train on the Cincinnati, Indianapolis and Junction railroad was thrown from the track by a cow, east of Liberty, Indiana, this afternoon, wrecking the engine, tender, baggage, passenger and sleeping cars. Ten persons are reported seriously injured. The train was terribly wrecked, and it is surprising that no one was killed.

The election in New York was a Waterloo defeat to Tammany. William M. Tweed, of all the Tammany Tribes, was elected to the legislature. His election was of course a foregone conclusion. His district is made up of the hardest political material of any in the city; it is composed largely of grog-shops and men of desperate fortunes. There is no gradation in crime, as there is also for the respect that Tammany have for each other. The little thieves honor the big thieves, they have a community of interest. The devil himself would be the most popular candidate for this district but his respectable, Tweed, ran well.

Oratory is omnipresent. The two following speeches are submitted as proof of the fact. The first is the speech of a New Zealand orator—the best I ever made: "England is a great nation, the Maori are a great people. The English have called us to this great house. We sit here. They have poured out my soul as Wanganui. I have spoken so much for New Zealand. The next is the speech of an orator in the Pennsylvania Legislature: "I know William M. Tweed; I say it in no disrespect; I know him. I have had a long talk with him. They're a useful class; not a bit, with the best of us, you may have trouble." Next is a speech of the National Debt of the U. S.
