Of dark November's mournful breeze, Are rustling through the faded trees; So sad, so restless on the shore That seems as if 'twould never know And bleak the great sea groaning by.

My heart is bowed; you call it weak a way To let the season, darkling round, Thus fill its halls with gloomy thought And many a soul-subduing sound. Ah, name it so then, storn eyed one! But still no shrinking shame is mine; For something ever in such time 1921 Will lead me to pale memory's chrine, Where withered flowers are thickly wreathed, And sud, though beautiful, dirges treathed.

The flowers they tell of bright hopes gone, Hopes born in innocence of youth, And every cloud a rainbow bears And every brow seems growded with truth. know that manhood should not grieve-Tall manhood in the mighty strife-That such the fate of every barque Launched on the roaring sea of life; But when will flow the aching heart To fate, nor shrink from Wisdom's part? The dirges—whose the dirges here?

One for a glorious father gone; (What loss, what life-withering loss!) Even in my childhood's opening dawn; Another for the small dear one, 1 & Who roamed with me in wonth's green bowers Whon he together scattered budge Upon the soft wings of the hours; , father! sister! how I hear

The wild winds wail above thy bier! My heart is bowed; though far away, ... Dear mother lithou seem'st with me now-The dirges also in thy soul, And memory on thy fading brow;

O, give me something of the hope That from religion thou dost know, And I may feel that Eden yet May spring from thorny wastes of woe, While leaden youder autumn sky, And bleak the great sea groaning by.

quire of the "rigid past:"

ist. When the great rebellion was trying to be born, some one proclaimed that our traditions compelled us to permit a secession, if backed by a clear majority in the States about to secede; a doctrine not fit to mention at such a time, if never so true. But it was not true. We have no such traditions; and, if we had, the Union stands upon reasons which transcend all traditions. Think of a patriot, who holds that a servile, sectional majority should coun-

2d. Some one, who ought to have been more distrustful of his own military knowledge, raised the cry, "On to Richmond," and kept it up; when and while he ought to have known that there was not, and could not be, a competent readiness for such a movement. 8rd. After the rebellion was crushed, there was raised and kept up another ery, "Harry up reconstruction," when, the Lord knows, there was in the South no fitness for rehabilitation; and, because of the pressure upon Congress, thus caufed, the business was done in foolish haste,—and that, moreover, the South is not fit, even yet, to be in the

Union às States. It needed a long probation: in a con-

It is confessed that the resumption of specie payments would be followed by " crash;" but urged that it is better to suffer this, and take a new departure. (See Tribuno.)

What do we want to accomplish by a return to specie payments and a mixed currency? Without a metalic currency, we have had prosperity through almost a decade; such as we never had before; +simply because our paper currency had no direct sympathy with trade in the foreign world, and cannot be increased or diminished by any foreign exigency; being subject only to the perturbations of trade arising with-
