THE BLIND MAN'S CONCERT.-Mr. Editor :- Contrary to our usual, habit, we were persuaded by a friend to attend an entertainment given at the Court House in Wellsbore on Wedsee lay evening last. Perhaps common humanity to this unfortunate man, should have led us to go in this case, though we, in common with many thers, have been so frequently sold by traveling performers. But our convintions on listening to W. H. M'Collin's ballads and rehearsals, with a tabrequent brief acquaintance, are that he more then pays his patrons every time. He is a man doulture, and we are certain of conferring a freater favor on the public than upon this man, by bespeaking for him a general hearing whereber he may go . The Wellsboro Minstrels gave entertainments on Monday and Tuesday evenings of last week, which for the kind are unsurpassed.

HAIR

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its vonthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all oruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

FOR THE WHISKERS. As our Renewer in many cases requires too long a time, and too much eare, to restore gray or faded Whiskers, we have prepared this dye, in one preparation; which will quickly and effectually accomplish this result. It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty

Cents. Manufactured by R. P. HALL & CO., NASHUA, N.H.
