## VALLEY GREET DR. BRUMBAUGH

### Republican Candidate Tells How He Fought the Saloons in Huntingdon County

#### PALMER AGAIN ATTACKS PENROSE

In Big Lancaster Meeting the Democratic Candidate Points to the Senator's Vote Against the Ejection of Lorimer

(Special to the Star-Independent.)

Chambersburg, Oct. 7.—Dr. Martin G. Brumbaugh, Republican nominee for Governor of Pennsylvania, addressed 1,200 persons in the Orpheum Opera House last night after a day of campaigning through Cumberland, Fulton and Franklin counties. The doctor met with an enthusiastic reception everywhere he went. Among those who were at the meeting here was M. C. Kennedy, president of the Cumberland Valley Railroad, a Democrat. A long list of vice presidents was announced and their names were in print, but it is an open secret that several declined to serve because they propose to vote against Senator Penrose.

For the first time during the present campaign Dr. Brumbaugh discussed his own temperance record. He spoke with apparent feeling as he said:

"When, in 1888, there was pending in this State an amendment to the Constitution prohibiting the sale of liquor in Pennsylvania I was the secretary of the anti-saloon group in my home county, and Mr. Simpson, of Huntingdon, who was the president, with myself went over the county, stumped it and carried it by 705 majority for the white map of Pennsylvania.

"There are men in this room who voted with me on that occasion because they believed as I did on that proposition. Why, those who charge different are character assassins and defamers of men of good names, who would try to make you believe that I am not square on that proposition. I defy them all and appeal to you men of Pennsylvania whether any man anywhere in this State has a record or has made a declaration more plain and positive than my own on that question."

#### Brumbaugh in Carlisle

In session at Carlisle Dr. Brumbaugh found the annual convention of the Directors of the Poor, representing every county in the State, and it was to this body he delivered his address on the conservation of humanity.

The meeting at Shippensburg had unusual interest, for George H. Stewart, one of the State's largest land owners, banker, president of the Cumberland Valley State Normal School, one of Colonel Roosevelt's chief supporters in the State two years ago and a brother of Supreme Court Judge Stewart, introduced Dr. Brumbaugh, and predicted that he would be elected Governor by one of the largest majorities ever recorded. John Lindner, at the head of the big shoe factory at Shippensburg, a former Democratic candidate for Congress, also announced that he would support Dr. Brumbaugh.

#### Raps Penrose's Lorimer Vote

Lancaster, Pa., Oct. 7.—Affirming that William Lorimer, the Illinois machine leader who was ejected from his seat in the United States Senate, stood for exactly the same sort of leadership in that State for which Senator Penrose stands in Pennsylvania, A. Mitchell Palmer last night called upon Senator Penrose to defend, if he could, the vote which he cast in 1911 to keep Lorimer in the Senate.

The Democratic Senatorial candidate's denunciation of Penrose's record regarding the Illinois Senator's case was delivered in the Lancaster county court house before an audience that filled the auditorium.

The meeting was preceded by a street parade from the Spencer House to the court house, Mr. Palmer, Vance C. McCormick, "Farmer" Creasy and William N. McNair, candidate for Secretary of Internal Affairs, marching at the head of the procession.

A feature of the meeting was the speech delivered by Henry C. Niles, of York, long prominently identified with independent political movements, who announced for the first time that he would support the Democratic ticket.

#### Pinchot in Sullivan County

Williamsport, Oct. 7.—Gifford Pinchot, the Progressive candidate for United States Senator, received a light reception in Sullivan county yesterday. Sullivan, with its many backwoods hamlets, has been considered a Penrose stronghold, and the greeting accorded the Progressive candidate was not enthusiastic.

Pinchot, tumbled by auto, stopping at Forksville, early in the morning and Sonestown, Nordmont, Overton, New Albany, Dushore, Mildred, Bernice, Lopez and Laporte during the day. At every place a small crowd gathered at his meeting place to hear his remarks and to shake his hand as he greeted them from an automobile. Swinging out of the county last night, the candidate turned toward Wilkes-Barre.

#### Justice Resigns Under Fire

Washington, Oct. 7.—Associate Justice Daniel Thew Wright of the District of Columbia, against whom impeachment charges are pending before the House Judiciary Committee, has sent his resignation to President Wilson to take effect November 15.

#### Increased Rates Tabooed

Jefferson City, Mo., Oct. 7.—The Missouri Public Service Commission has refused to grant the petition of the trunk line railroads for permission to increase their intrastate passenger rates to three cents a mile and their freight rates by from 50 to 225 per cent.

### HONOR GETTYSBURG HERO

New Yorkers Dedicated Fine Monument to General Wadsworth

Gettysburg, Pa., Oct. 7.—On the beautiful ridge overlooking Gettysburg's historic railroad cut, and the site of the first day's carnage, veterans of the commands under General James S. Wadsworth gathered yesterday afternoon to do honor to his memory and to witness the dedication of New York's memorial to the gallant soldier. All the regiments under his command were well represented by veterans from the Empire State.

As an escort of honor, Troops L and M, of the Fifth United States Cavalry followed the grand marshal of the dedication parade, General John A. Reynolds, of Rochester, prominent at Gettysburg, was with Battery L, New York Artillery, which figured in the first day's battle. Following the regular army men came the New York monument commission, the Citizens' band, of Gettysburg, and the veterans of General Wadsworth's command.

Colonel Lewis R. Stegan, chairman of the commissioners, who directed the erection of the memorial, introduced Master Jeremiah Wadsworth, great-grandson of the General. The young man grasped the cord which held the large American flag over the bronze statue, and as he pulled it the folds dropped gracefully, and the heroic figure of Wadsworth stood out beautifully in the light of a faultless autumn day. The guns boomed forth a major general's salute, and the oration of the day by Captain Alfred M. Mills, of Buford's Cavalry, followed. General Horatio C. King also made an address and remarks were made by Major James W. Wadsworth, son of the General and president of the National Soldiers' Home, and by James W. Wadsworth, Jr., his son. The poem of dedication was read by J. I. C. Clarke.

### TELLS OF ALMSHOUSE ECONOMY

Dauphin County Director Tells of Conditions as He Observes Them

Carlisle, Pa., Oct. 7.—Cuts of more than six dollars a day in the cost of fuel, savings of 60 per cent. in the clothing bills, system substituted for chaos, prodigality displaced by saving, efficiency introduced instead of politics, improvements, extensions, results, make up the history of the present management of the Dauphin county almshouse.

It was told here yesterday by Poor Director Charles L. Boyer at the annual conference of Directors of the Poor and charity workers.

For Dauphin counties, it will be difficult to believe the transformation at the poor house outside Harrisburg. Director Boyer told the story bit by bit and with such evidence that there was no denying the progress he and his colleague, Harry Walters, have made. He showed among other things, that by economy, \$14,000 was spent in needed improvements out of the usual appropriation for maintenance.

Mr. Boyer paid high tribute to Steward Barber, without whose co-operation, he said, the results could not have been obtained.

### Bootlegger Got Six Months

Hagerstown, Oct. 7.—Edward Black was yesterday morning fined by Justice Ankeney \$200 and costs and six months in jail on the charge of bootlegging.

Three witnesses, Abe Zimmerman, Samuel Ramsey and Steve Kuski, each admitted on the witness stand to having purchased whiskey of Black, paying 35 cents per half pint for it. One of the witnesses said he purchased a half pint for 35 cents of Black Sunday morning.

### Raise Cost of Tuition

Carlisle, Oct. 7.—With the "high cost of living" and its running mate the "high cost of loving" has been added a new "H. C.", for the school directors in their session last evening increased the cost of tuition in the local high school for pupils from other districts \$17.50 for the term. One of the witnesses said he purchased a half pint for 35 cents of Black Sunday morning.

### SIMPLE WAY TO END DANDRUFF

Stop Falling Hair and Itching Scalp

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring, use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve, and entirely destroy, every single sign and trace of it, no matter how much dandruff you may have.

You will find itching and digging of the scalp will stop instantly and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

If you value your hair, you should get rid of dandruff at once, for nothing destroys the hair so quickly. It not only starves the hair and makes it fall out, but it makes it stringy, straggly, dull, dry, brittle and lifeless, and everybody notices it. Adv.

### TYPOTHETAE IN CONVENTION

Delegates Number 2,000 at Sessions in New York

New York, Oct. 7.—The twenty-eighth annual convention of the United Typothetae and Franklin Clubs of America began here yesterday, with 2,000 delegates representing the United States and Canada. The delegates were called to order in the morning by James W. Bothwell, president of the Typothetae of the City of New York, and an invocation by Monsignor Michael J. Lavette, of St. Patrick's cathedral, followed. George McAneny, president of the Board of Aldermen, welcomed the delegates on behalf of the city, and A. M. Giossbrunner, of Indianapolis, responded. George M. Courts, of Galveston, Tex., president of the Typothetae and Franklin Clubs, formally opened the convention.

The real business was reached in the afternoon, when a session of ten-minute talks on subjects of interest to the printing trades was held. One speaker was T. E. Donnelly, of Chicago, who spoke on "The Printer's Responsibility for the Respectability of His Product."

"I want to leave this idea with you," he said. "Take it home and think about it. Don't you think we would see to it that the products of our press are as worthy as our own personal lives?"

The Printing Trades Secretary-Managers Association held three sessions yesterday and mapped out a campaign for 1915. They are the field workers of the Typothetae and Franklin Clubs.

### WANTS OLD REVENUE DISTRICT

A. Mitchell Palmer Writes to Secretary McAdoo on Subject

Washington, Oct. 7.—Representative A. Mitchell Palmer, Democratic nominee for the United States Senate in Pennsylvania, has asked Secretary of the Treasury McAdoo to restore the old Twelfth internal revenue district in Pennsylvania, with headquarters at Scranton. Secretary McAdoo received from Mr. Palmer yesterday this letter: "To the Honorable, the Secretary of the Treasury:

"Dear Mr. Secretary—The legislative, judicial and executive appropriation bill, recently signed by the President, authorizes the establishment of 64 internal revenue districts in the country, an increase of one district. This change in the law was secured mainly through my efforts in the desire to have the Twelfth Pennsylvania district restored. You will remember that this district was joined with the Ninth district by executive order of President Taft, and I have appeared before you several times urgently requesting that it be re-established. In view of the fact that the law now provides for the establishment of an additional district, I trust you will have an order issued re-establishing the Twelfth Pennsylvania district with the same boundaries as it formerly had and with headquarters at Scranton.

"Hoping for your early and favorable consideration, I am, yours very truly,

"A. Mitchell Palmer."

Secretary McAdoo will pass upon Mr. Palmer's request within a few days. It is believed here that the district will be restored.

### WANT SOUTH AMERICAN TRADE

New York, Oct. 7.—The American manufacturers have begun an invasion of the South American trade field is shown in an announcement made public yesterday of Consul General Joseph Richling, of Uruguay, who stated that American manufacturers have sold to merchants of his country a quantity of glassware and hardware. The sales were made on terms satisfactory to both buyers and sellers. He said:

"A still larger field awaits the American manufacturers in Uruguay, according to the consul general, who said that his country was in a healthy financial condition. Exports to Uruguay are increasing in a satisfactory manner," Mr. Richling said.

### ORPHEUM

Every afternoon and evening, high class vaudeville.

**COLONIAL**

Daily continuous vaudeville and pictures.

### "The Movie Girl"

"The Movie Girl" which is a combination comedy-drama and musical comedy playing at popular prices, gave two performances at the Majestic theatre yesterday and will remain at that stand to-day with matinee and evening shows. "The Movie Girl" makes no pretense in out-rivalling the expensive extravaganzas that are carried on the road at high prices, nevertheless it gives a pleasing entertainment and affords the audience more to laugh at than many of the bigger shows. A vein of comedy runs through the entire piece and there are plenty of song numbers to please those who like to hear good music.

### "To-day"

Everything, no matter how startling, has an adequate explanation and, consequently, it is easy to explain the phenomenal success of "To-day," which ran for an entire season at the Forty-eighth street theatre, and will be seen in the Majestic theatre to-morrow afternoon and night, the matinee parade is over. The sensational success of the drama is not a bit astonishing when it is taken into consideration that society folks, educators, social and welfare workers, clergymen and others alert to the present day peril of keeping up appearances, have endorsed—and endorsed most enthusiastically, this startling drama of modern life, which brings a sensational lesson to the very threshold of the home.

### At the Orpheum

The good things at the Orpheum this week are many. Many as there are attractions, only of course, a few are better than the rest. The best is Irene Franklin, who is easily the most clever artist that has appeared at the Orpheum, and who is here again in an entirely new repertoire of songs, equally as good as any that she sang here before. And her gowns are simply elaborate in the numbers, where such wardrobe is appropriate. Some of her character numbers, such as her "Kid" songs, are clothed to fit the number, but in each instance the song is pleasing and "nice." The new songs Miss Franklin is delighting us with this week include "The Police Woman," a suffrage number in which Miss Franklin does a humorous version of a female "Cop." For it she dons a white military suit, a sort of policeman's cap, and lo and behold, her club has a powder puff and mirror in the end of it. You'll want to hear her tell how the women scoff her, and how lenient she is with her handsome male prisoners. In this song like all the others, Miss Franklin injects all kinds of facial expressions that are rich as they are unusual.

### At the Colonial

A clever trio of trilliers and funsters of the first water; a sketch featuring Eddie Carr and company and a mighty clever German comedian, are the three vaudeville acts that are pleasing patrons of the Busy Corner immensely for the first half of the week. But the Eddie Carr act is the cream of the bill. It comprises three players of ability and they have a splendid comedy vehicle, written by Mack and Orth, and they know how to make the most of the laughable situations and bright lines. "East Lynne" in multiple reels is delighting the admirers of artistic moving picture features. Adv.

### A HAPPY BALD HEADED MAN

Well-Known Politician Nearly Bald Now Has New Growth of Hair

Tells How He Did It

A western politician, well known on account of his baldness and ready wit, surprised his own friends by appearing with a new growth of hair. Many of his old friends did not know him and others thought he had a wig. On being asked how he did it, he made the following statement: "I attribute the remarkable growth of my hair to the use of the following simple recipe which any lady or gentleman can mix at home: To a half pint of water add 1 oz. of bay rum, a small box of Barbo Compound and 3/4 oz. of glycerine. Apply to the scalp two or three times a week with the finger tips. It not only promotes the growth of the hair but removes dandruff, scalp humors and prevents the hair from falling out. It darkens streaked, faded gray hair and makes the hair soft and glossy. These ingredients can be purchased at any drug store at very little cost and mixed at home." Adv.

### The Pay Foster Company

There is one bright feature of the Pay Foster Company that will appear at the Majestic theatre Friday afternoon and evening, that will appeal to all amusement patrons who appreciate a good wholesome laughing show without any dialogue of a risk nature. The comedians are all well-known and of established reputations and in their efforts to entertain use only legitimate methods. The Pay Foster Company offers an entertainment that appeals to every lover of pure unadulterated fun.

### "My Best Girl"

Victor Morley, who will be seen at the Majestic theatre, Saturday afternoon and evening, as the bright and shining star of the New York Park theatre's crowning musical comedy success, "My Best Girl," has many notable creations to his credit. In "Three Twins" and "The Quaker Girl" he was seen in a stellar capacity but before that he was considered a young actor with a very bright future. In "The Prince" and "The Earl and the Girl" he played light comedy roles in manner most engaging, and in such a way as to bring him rapid promotion. Mr. Morley is not a comedian of the clown variety, his work is clean cut and free from burlesque. He depends upon natural methods to get his results and this is so rare on the stage that today he and Clifton Crawford are the only two who stand out above the rank and file because of their excellence. Adv.

### "Every Woman"

Fresh from long engagements in the large cities, the dramatic spectacle, "Every Woman," with all its scenic effects and army of people, will be presented by Henry W. Savage at the Majestic theatre, Monday afternoon and evening. Everywhere this great spectacle has been presented it has created a sensation. Generations of theatregoers have witnessed no more moving panoramic pageant than "Every Woman," conceived as it was by an inspiration without regard to monetary outlay. It represents all that is great, all that is lofty, in spectacle, opera and drama. It is really three great productions merged into one. Adv.

### Acquit Dr. Dixon's Maid

Norristown, Pa., Oct. 7.—The wife of Dr. Samuel G. Dixon, Health Commissioner of Pennsylvania, was a witness for the Commonwealth in an action charging Nellie Mills, a maid in the Dixon household in Lower Merion, with larceny of clothing. But the jury did not consider that the theft was fixed upon the negro, and acquitted her.
