#### DAUGHTERS 1812 IN SESSION TO-DAY

Mrs. Mabel Cronise Jones, Regent, Again Nominated to Head Local Chapter

#### MRS. C. S. REBUCK FOR VICE-REGENT

Thomas Lynch Montgomery, State Librarian, Gives Interesting Talk on the War of 1812—Chapter Is in Good Standing Financially

Despite the counter attractions of the firemen's parade, one of the largest meetings of the United States Daughters of 1812 was held this afternoon at the residence of Mrs. Elizabeth Cron Kunkel, 17 South Front street, Mrs. Mabel Cronise Jones, regent, presiding.

The program was more than usually attractive, interesting as the programs of this society invariably are. The reports showed the work of the organization which is certainly accomplishing much of which it has a right to be proud.

Mrs. Charles J. Wood, Jr., read her report as secretary, giving an account also of the dedication of the gateway at Silver Spring church, the chapter having given liberally for this project.

Mrs. Wood as one of the chapter's representatives at Baltimore during the hundredth anniversary exercises of the Star Spangled Banner, gave a brief account of the more salient features of the week's ceremonies. The 1812 organizations throughout the country were especially interested in this celebration as the "Star Spangled Banner" was written during the War of 1812 and is always sung at each meeting of the society.

Mrs. George E. Etter was the other representative from the chapter.

The report of Miss Catherine Irwin Egie, registrar, showed the death of three members since the first of the year. Mrs. Richard H. Hummel, Mrs. W. H. Fry and Miss Hannah S. Holbrook, of Lancaster. Death has also visited thirteen of the families since January 1, making the year's record a far sadder one than any previous period in the history of the chapter.

Mrs. Merriam, chairman of the philanthropic committee, who was not present, sent in an appeal for shoes for a boy of 8. She could also place to good advantage stockings and clothes for such a child.

Miss May Fox, chairman of the nominating committee, presented the following names to be voted upon at the December meeting, although as was stated, the list was purely suggestive and any other names may be substituted at pleasure:

Regent, Mrs. Mabel Cronise Jones; first vice regent, Mrs. Charles Stough Rebeck; second vice regent, Mrs. Sarah J. Kistler, of Carlisle, a real daughter; registrar, Miss Catherine I. Egie; treasurer, Mrs. James Edward Dickinson; historian, Mrs. James Barr Mersereau; recording secretary, Mrs. Charles J. Wood, Jr.; corresponding secretary, Miss Matilda W. Hyster. The office of second vice regent was left vacant by the death of Miss Holbrook, and on motion of Mrs. Gross, Mrs. Kistler, of Carlisle, was elected to fill the place for the balance of the year.

Delightful musical numbers were given by Miss Katherine Heicher, who charmed every one with "Bonny Sweet Bessie the Pride of Dundee," and "Sally in Our Alley." Miss Sara Lemer, who has far more than a local reputation as a violinist, rendered several numbers most exquisitely.

#### World's Series in Big Hall

Each Play Will Be Reproduced in "Chestrnut Street Auditorium"

The fact that Felix Davis will again reproduce the World's Series ball games on his "Wizard" player board at the Chestnut street auditorium will be welcome news to the local fans.

The very next thing to seeing the actual game is to see it reproduced in this wonderful mechanical arrangement. Play after play is instantly recorded, not in the usual way, but in the unusual and there is almost as much realism and excitement to be had by watching a game on the board as there is on the field.

In the center of the board is the diamond, an exact reproduction of a baseball field, players benches and all. Printed cards that revolve give the detailed story of the game where it cannot be portrayed on the field. Red globes represent the players. They run down the batting order opposite the names of the players.

There are "at bat" columns, "runs," "hits," "outs," "assists" and "errors," making everything as clear as day.

#### Magical Effect of New Face Peeler

To maintain a clear, rosy, youthful complexion, there's nothing so simple to use and yet so effective as ordinary mercurized wax, which you can get at any drug store in the original package. Just apply the wax at night as you would cold cream; in the morning wash it off with warm water. If you've never tried it you can't imagine the magical effect of this harmless home treatment. The wax causes the burnt-out sebum to come off in minute particles, a little at a time and soon you have entirely shed the offensive cuticle. The fresh young under-skin now in evidence is so healthy and girl-like looking, so free from any appearance of artificiality you wish you had heard of this marvelous complexion-renewing secret long ago.

To get rid of your wrinkles, here's a formula that is wonderfully effective: 1 oz. powdered salicylic, dissolved in 1/2 pt. with warm water. Bathe the face in this and you will be simply astonished at the results, even after the first trial.

#### Eye Glass Comfort

Some persons say they can't wear eye-glasses. Try our new style mounting. Holds fast and feels comfortable.
