A Pretty Skin Makes a Pretty Face

Stuart's Calcium Wafers Cleanse the Skin Very Quickly and Make It Clear and White

Do you envy the girl with the delicate tints and the rosy glow of good health on her face? Do you long for the perfect freshness and beauty of her complexion? The means of gaining them are within your reach this very minute.

Stuart's Calcium Wafers will work this wonderful miracle of good looks for you within a very few days. No matter how covered with pimples, rash, eczema or any sort of skin eruption your face may be—no matter how dull and sallow your skin appears—your complexion will be transformed almost instantly into all that is lovely and desirable.

"Everybody loves a pretty face and a delicate skin."

Face lotions and creams merely alleviate the irritation of the skin—they are of no permanent value. Stuart's Calcium Wafers go right after the cause of pimples—the poisonous and impurities in the blood. They chase them into the pores, change them into gases that are easily eliminated, and then stimulate the pores into throwing them out. There is no waste of time—no fooling around. These little wafers assimilated into the blood, work night and day until every impurity is gotten rid of and you not only have a clear complexion but pure, vigorous blood that endows you with new life and energy.

Stuart's Calcium Wafers contain nothing harmful—nothing but what thousands of physicians have used and recommended. Its chief constituent, calcium sulphide, is universally recognized as the most powerful of blood purifiers.

Surprise your friends by meeting them with a face radiant with loveliness instead of the disagreeable, pimply one they are used to. Give yourself the supreme happiness that the consciousness of good looks and the power of attraction will bring you.

Buy a box of Stuart's Calcium Wafers to-day and see how quickly the pimples will disappear. They can be obtained at any drug store at 50 cents a box. They come in a form convenient to carry and are pleasant to the taste. A small sample package will be mailed free by addressing P. A. Stuart Co., 175 Stuart Bldg., Marshall, Mich. Adv.

BRUMBAUGH FOR SOCIAL REFORMS

States His Position on Child Labor and on Working Conditions for Women Employes

HIS STAND AS TO GOOD ROADS

Positive Assurance Given in Philadelphia That There Will Be No Fusion on a Candidate for the United States Senate

(Special to the Star-Independent.) Butler, Oct. 15.—Dr. Martin G. Brumbaugh, Republican candidate for Governor, spoke a few more words on the road question during his tour of Butler and Armstrong counties yesterday.

The Brumbaugh party, consisting of Dr. Brumbaugh, Henry Houck, Frank B. McClain and Thomas S. Crago, left Pittsburgh at 9 o'clock in the morning. After an hour's run Preepport was reached. There Dr. Brumbaugh spoke to a crowd of 100 who gathered about the hotel in the middle of the morning.

Kittanning was reached at 2.30 and a reception was held at the Reynolds house. Among those who called upon the candidates were Frank McIlvaine, former Senator Meredith, Dr. J. T. Dean, H. B. Henderson and J. S. Campbell. Six hundred persons listened to speeches by Dr. Brumbaugh, John R. K. Scott, Thomas S. Crago, Frank B. McClain and Henry Houck.

Yesterday's campaign brought the Brumbaugh party into two of the most independent counties in Pennsylvania. Two years ago Roosevelt beat Taft

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets Are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids.

It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "biliousness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they "clear" clouded brains and how they "perk up" the spirits. At 10c and 25c per box. All druggists.

The Olive Tablet Company, Columbus, O. Adv.

about two to one in Armstrong county, and in Butler the Taft electoral ticket went to third place.

Returning to the Party

The registration figures in both counties indicate that the rank and file and some of the leaders of the Washington party in Armstrong and Butler have renewed their allegiance to the Republican party.

John R. K. Scott, of Philadelphia, emphasized this fact in his speeches. He said that the nomination of Dr. Brumbaugh was an expression of protest on the part of those who had stayed in the Republican party and who had won the fight, and that his election in November would be the victory of a genuinely progressive candidate.

Last night's meeting was held in the Majestic theatre. Butler, with a crowd of 500 men present, S. F. Bowser presided. Dr. Brumbaugh said in part:

"The boy or girl at the age of 14 receives an employment certificate and seeks service at the hands of some man or woman, and in a day or two they are discharged for the reason that these children are too young to do any important industrial service. It is the judgment and the testimony of men who employ large quantities of that form of labor that it takes about two years before these young people become worth while to the industries in which they are employed. Hundreds and thousands of them at the end of a week or so are discharged, and then they walk the streets of our cities with employment certificates in their pockets, idle loafers on the highways of the Commonwealth. And it is better that they should be in school—always in school—than on the streets in Pennsylvania. The law ought to be changed so that the moment the child ceases to work in Pennsylvania he must return to school in Pennsylvania.

Social Reform Program "I am in favor, and have so declared in my primary platform, among other things, of a workmen's compensation act, which, exclusive of labor upon the farm and domestic service in our homes, shall safeguard the rights of our people who toil in Pennsylvania; and for such modification of our employer's liability act as will make it possible for the people who toil in Pennsylvania to be protected as far as human skill and ingenuity can protect them, safeguarding the welfare of their wives, widows and children when disaster overtakes them in their industry. And let no man misunderstand my position on those questions.

"I am also interested in such a reorganization of the legislation relating to the employment of women who toil in Pennsylvania as to make it absolutely as wholesome and as clean and as comfortable as the pride and the chivalry of our people can make their employment. It is an unfortunate thing that women anywhere should have to toil in our industries, but if they must, I shall see to it that they shall be protected in that toil so that they can reasonably continue to be what they are by the will of Almighty God—the mothers of the next generations, unimpaired by their toil, to be good
