TECH, OUTWEIGHED, LOSES
TO GREENSBURG 38 TO 0

Open Play, in Which Forward Pass Is Feature, Gains Much Ground for Western Pennsylvania Team—Tech Perfect Record Broken

Greensburg's open play proved too much for the Technical High school eleven at Greensburg Saturday afternoon, the local team being roundly trounced by the score of 38 to 0.

Forward passes were used effectively against the Harrisburg team for big gains. The Greensburg team was able to pound the line and skirt the ends for big gains, a total of six touchdowns and two goals being made. Tech's offense, usually very powerful, proved to be weak against the heavier opposing line. The Greensburg ends were alert and stopped end runs, British's run in the third period being the exception. This single run netted thirty yards and was Tech's best performance of the afternoon.

The Greensburg attack was varied and seemed to grow stronger as the game progressed. In the first period two forward passes and straight football gave them a touchdown, getting the second touchdown in the second period shortly after it opened. In the last half of the game Tech was mostly on the defense, having an opportunity once after receiving the ball when a penalty was inflicted on Greensburg, but being unable to get very far.

If Tech should be successful in the east this season, that game will likely decide the State scholastic championship. It marks Tech's perfect record made so far this season. The lineup and summary:

TOBIN TOTES TROPHY AWAY

State Gets Football Used in Harvard Game—Tied Crimson in Contest

Philadelphia, Oct. 26.—Captain Tobin of State College, was the first visiting player to carry a Harvard football out of the Stadium on Saturday, since 1911, when Jim Thorpe, the former Indian phenom piloted a Carlisle team to victory over the Crimson.

Football custom and courtesy is to give the ball to the winning team. In the case of a tie the ball also stays with the home team.

But Harvard made an exception on Saturday and presented the pigskin to the State team.

The State players, jubilant in the fact that they had accomplished that which no other football team has done for three years, passed through Philadelphia yesterday at noon and stopped off long enough for luncheon. Graduate Manager Ray Smith was in charge of the team.

After Bill Hollenback's well-drilled State team had tied Harvard, 13 to 13, Coach Leary, a great end in his days, who was in charge of the Crimson, while Head Coach Haughton and Assistants Withington and Logan spied on Yale and Princeton, respectively, came over to the State squad and asked for Captain Tobin.

Leary said that it was not customary to give up the ball in case of a tie, but the Harvard players and Acting Captain Bigelow realized that they were extremely fortunate to even tie the score, and wished to show their appreciation to the hard-working team from Bellefonte county.

They turned over the ball to "Big Bill's" team as a special gift.

Harvard went through the seasons of 1912 and 1913 without suffering a defeat and was not even tied.

Coach Leary also took occasion to compliment the State team on its clean playing and determined fight. There were 22,000 persons in the Stadium who saw the State team outplay Haughton's machine, and in the dressing rooms, after the game, the Harvard management praised the blue and white, and also said that the game would be an annual event in Cambridge.

Once Rote made a sensational run for thirty yards after receiving a punt but Central could not take advantage of it. Another time Rote made a first down through the line going through the entire Steelton team with the exception of one man, but that could not be followed up.

After an exchange of kicks at the start, Gardner and Dayhoff from the shift formation went through for con-

CENTRAL IS DECISIVELY
DEFEATED BY STEELTON

Comeback of Blue and White Team Will Remain the Feature of Present Football Season—Local Team Demoralized—Score 14 to 0

Coach Taggart's machine Saturday afternoon so demoralized the Central High school eleven that the local team played individual football, concerted effort either on the defense or offense being something foreign. A remarkably well-timed shift on the part of the Blue and White, was all that they were compelled to use against Central, playing decisively by the score of 14 to 0.

No matter what happens during the remainder of the football season, the comeback of the Steelton team will be a feature of the season. They played like a crowd of veterans, not like greenhorns that were roundly trounced by Lebanon two weeks ago. They showed football instinct and brains that comes only with close application to their teacher.

The credit entirely belongs to Taggart. Knowing in advance what Central's attack would probably be his team broke that up and ran away on the offense, using a shift which started before the ball was passed and was in motion when the ball was snapped.

Time and again Gardner and Dayhoff went each for fifteen yards on such plays. Each man knew what to do and did it. The Central ends were "boxed" and the secondary defense was called on to stop the runner in the majority of the rushes.

Steelton, too, showed the result of the plugging of weak previous in control handling of the ball. Their chief fault against Tech was fumbling. No such thing marred their play against Central.

On the other hand Central's offense lacked power and the players usually hit a stone wall in the line. In the third quarter Houtz ran down a punt and fell on it when the ball twisted out of the hands of a Steelton back. Central was within ten yards of the Steelton line. Line plunges failed to make the necessary gains. Smeltzer hitting his own men piled up. Rote attempted to make the distance on a run around left end, but his interference was woefully weak and after running the width of the field was thrown heavily and was compelled to retire from the game with a wrenched shoulder. He returned to the game in the last period, however.

Once Rote made a sensational run for thirty yards after receiving a punt but Central could not take advantage of it. Another time Rote made a first down through the line going through the entire Steelton team with the exception of one man, but that could not be followed up.

After an exchange of kicks at the start, Gardner and Dayhoff from the shift formation went through for con-

sistent gains, Gardner taking the ball over the line. On Central's offense Rote would be down time after time for losses, the local school making but two first down in the game, against fifteen for Steelton. The second touchdown for Steelton came in the last period of play.

Rote, Roth, Smeltzer and Houtz played good games for Central, while Gardner and Smeltzer played best for Steelton. The game attracted the greatest football crowd of the season, 2,000 witnessing the struggle. The line-up and summary:

Central.....Steelton

Houtz.....L E.....Keim
Byers.....L T.....Wren
Smucker.....L G.....Morrett
Duffenbaugh.....C.....Norris
Selheimer.....R G.....Levitz
Black.....R T.....Crump

Touchdowns, Shreck, J. Downey, O'Connell. Goals from touchdown, Zimmerman.

ACADEMY WINS VICTORY

Defeats Gettysburg by Score of 13 to 6

Both Teams Were in Good Condition

The Harrisburg Academy team defeated the Gettysburg Academy team Saturday afternoon on the local field by a score of 13 to 6, before a very large crowd. Both teams displayed good form, but the free use of the forward pass by Coach Tatem's team enabled them to defeat the Gettysburg team.

In the first quarter, seven minutes after the opening of the game, a fumble by the Academy gave the Gettysburg team their only score. This was the only time Gettysburg was dangerously near to their goal. The Academy team tied the score in the second quarter on a forward pass from Jennings to Ross. Holler kicked the goal and the Academy was in the lead, the score at the end of the quarter being, Academy 7, Gettysburg 6.

No scoring was done during the third period. In the fourth quarter, however, the Academy team buckled down to real work and started up the field with a determined rush which Gettysburg was unable to stop. Holmes, after carrying the ball the length of the field, went around right end on a twenty-yard run and scored the final touchdown. Holler missed the goal by a few inches.

In the evening the first football se-
