REDUCE COST OF LIVING? 'EAT AN APPLE'--SURFACE

They Are Not Only Economical, but Fruit is Conducive to the Preservation of Health, Which is an Important Matter

In reply to the inquiry, "What is the best method of reducing the cost of living?" State Zoologist H. A. Surface replied, "That is easy. Use fruits in abundance while they are so cheap.

There are nearly 200 different ways of preparing and serving apples. No fruit is so remarkably adapted to different methods of serving and this makes it possible to use a larger quantity in a short time than though they were restricted to but few methods of use.
