LOCAL U. OF P. SCHOOL FORMS AN ORGANIZATION

Harrisburg University Branch Challenged in Basketball by Philadelphia and May Also Contest With Scranton and Wilkes-Barre Schools

The Harrisburg Extension School of the University of Pennsylvania has appointed Ira L. Gordon, of the bridge and construction department of the Pennsylvania Steel Company, temporary chairman for the purpose of organizing. Mr. Gordon chose a constitutional committee, which set to work drawing up a constitution which will govern the body. The members of the constitutional committee were chosen with the idea of having the entire class represented in all of its organizations. The men on the committee are: George W. Hill, Jr., Technical High school; P. A. Fishel, Central High school; Samuel S. Becker, 49 South Eleventh street; George H. Wirt, State Department of Forestry; Roy C. Mumma, Hershey; Harry F. McFadden, 108 North Second street; Raymond S. Caton, 208 Walnut street.

Last night the constitutional committee submitted a constitution to the class, which was unanimously adopted by it after a few minor changes had been made. According to the constitution, the organization shall be known as the Harrisburg Wharton Extension School Association. It further provides that there shall be elected a president, three vice presidents, a secretary, a treasurer, an advisory committee of seven and a cheer leader. In addition, the president has the power to appoint any other necessary committees and, in view of the fact that the school has already been invited to play the Philadelphia evening school a series of basketball games, it is quite possible that the president, soon to be elected, will immediately appoint an athletic committee to look after the school's athletics.

Mr. Raine, who paid the school a visit last night, stated that the Scranton and Wilkes-Barre schools were already organized along literary, debating, athletic, social, publicity and other lines and were very anxious to have a series of debates, basketball and baseball games with the Harrisburg school before the close of the college year.

Nominations for officers will be received next Wednesday evening and the election of officers will take place the following Wednesday evening. It is urged that every member of the class take an active part in this election and see to it that the best men in the school be chosen to fill the important offices.

FINAL CAMPAIGN ORATORY

Republican and Washington Party Meetings Held and to Be Held as Election Draws Near

One of the largest Republican meetings of the campaign held in Dauphin county was that in Steelton last night. The Standard theatre was crowded to the doors by enthusiastic Republicans and many were unable to get in. William F. Darby presided, and addresses were made by Thomas W. Crago, candidate for Congressman-at-large, Deputy Attorney General William M. Hargest and several local candidates.

The Middletown Republican club last night held a mass meeting in that town at which Charles E. Pass and Frank Jefferson made eloquent speeches in support of the Republican ticket.

Jesse E. B. Cunningham, Deputy Attorney General, one of the best speakers on the list of Republican spellbinders, will be the principal speaker at a Republican mass meeting in Oberlin to-night.

The campaign in Upper Dauphin will close on Monday night with a Republican rally in Williamstown, to be addressed by prominent speakers who will be announced later.

Washington party mass meetings will be held in Steelton and Middletown this evening when addresses will be made by Colonel L. B. Austin, of Georgia; Dr. John H. Kreider, W. W. Lenker and J. B. Martin.

DEMOCRATS' FINAL RALLY

Big Mass Meeting at Chestnut Street Hall to-morrow Night Following Parade of Clubs

Following the old-time precedent of having a big walkaround on the Saturday evening preceding the election, the Dauphin county Democrats will to-morrow night make their final effort in behalf of Palmer, McCormick and entire Democratic ticket, by holding a great mass meeting following parade at Chestnut street hall. The principal speakers of the evening will be Congressman Palmer and Vance C. McCormick, fresh from their trip through the Cumberland valley, where they met with a big reception, but there will be other speakers who will be announced later.

Five hands have been engaged for the occasion, and they will head the Central Democratic, West End Democratic and other clubs, and there will be delegations present from points in the Cumberland Valley, from Perry county and from Steelton and Middletown. A division of unattached citizens will be a feature of the parade which will form in Market square at 7:30 o'clock and march up Second, to Verbeke, to Third, to Walnut, to Fourth, to Market, to the Square and thence to the hall.

POSTAL SAVINGS INCREASE

The Receipts Commenced to Grow With the Opening of Hostilities in European War

Washington, Oct. 30.—The war in Europe is proving a big boon to postal savings in this country. From the very day hostilities opened across the seas postal-savings receipts began to increase by leaps and bounds and withdrawals fell off, a result quite contrary to the predictions of many well-informed persons who, in their imagination, saw lines of feverish depositors at postoffice pay windows anxious to again return their savings to the boot-leg and body-belt depositories whence they came before entrusted to Uncle Sam. But the forecasters failed to reckon on the absolute confidence of the American citizen, regardless of the flag that first met his eyes, in the ability and purpose of the Government to carry out its obligations, not only among the nations of the earth, but with the humblest citizen of our land.

Two important results have followed: thousands of people, largely of foreign birth, accustomed to send their savings abroad, are now patrons of our postal-savings system; and enormous sums of actual cash have been released for commercial uses among our own people at a time when the need for every available dollar is pressing.

The unexpected increase in postal-savings business has not only added greatly to the general administrative duties of the system, but has brought up many new and interesting problems which have called for the careful personal consideration of Postmaster General Barleson and Governor Dockery, Third Assistant Postmaster General. But their task has been lightened somewhat by the promptness of depository banks in furnishing additional security to meet the abnormal deposits. A number of the very latest banks in the country, which have heretofore declined to qualify as depositories for post-savings funds, are now among the eager applicants for them.

Admitted to Bar E. LeRoy Keen was this morning admitted to practice law in the several courts of Dauphin county. Mr. Keen was born in Wisconsin, is a graduate of Dickinson College and the Columbia University law school of New York City. He was admitted on motion of his preceptor, Lewis M. Neifer.

You Will Never Enjoy Bigger SHOE Values Than In This Sale The liberal reductions that will prevail in this sale will make a forcible appeal in these days when dollars are required to do double their ordinary duty. Of course, it means a heavy loss to us—one that we would rather not suffer. LUSITANIA IS OVERDUE Cunard Liner Was at Her Docks This Morning By Associated Press.

New York, Oct. 30.—The Cunard liner Lusitania, which left Liverpool last Saturday, has not been heard from since. She was due off Ambrose Channel lightship last night and should have been at her docks by 6 o'clock this morning. At the offices of the Cunard line here it was said that the Lusitania had probably been forced to reduce her speed because of a gale blowing off the coast. The Cunard officials said that they expected the steamship to report during the afternoon.
