Former Withdrawn Along Crimean Coast After Shelling Railroad and Docks—Theodosia Also Suffers When a Cruiser of Turkey Sails Close Enough to Throw Thirty Shells Into City—British Vessel Ignited and Scuttled During the Bombardment of Novorossysk—Great Britain Hands Turkish Ambassador His Passports—Both Allies and Germans Make Gains in Northern France Battle

Petrograd, Nov. 1, via London, Nov. 2, 2.45 A. M.—The newspapers report that the cruisers Goeben and Breslau and four Turkish torpedo boats bombarded the shore near Sebastopol yesterday, shelling the railroad and docks. The Russian shore batteries replied. The war ships disappeared along the Crimean shore to the eastward after inflicting trivial damages.

Theodosia, on the Crimean coast, 100 miles northeast of Sebastopol, also suffered a bombardment on Saturday when a Turkish cruiser sailed close enough to throw thirty shells into the city.

News has been received at the foreign office that the Russian ambassador has left Constantinople but the Turkish minister here has not received his passports or instructions from Constantinople.

London, Nov. 2, 4.45 A. M.—A dispatch to the "Times" from Petrograd dated Sunday says that a British vessel, the Frederick, was ignited and scuttled during the bombardment of Novorossysk. The Turks also wantonly bombarded Anapa, a Russian seaport of the Black Sea, at the western extremity of the Caucasus range.

London, Nov. 2, 12.24 P. M.—The Turkish Ambassador to Great Britain, Tewfik Pasha, was handed his passports to-day.

THE BATTLE IN NORTH FRANCE

Paris, Nov. 2, 2.48 P. M.—The French official announcement given out in Paris this afternoon says that yesterday the German attack on the French left wing, particularly between Dixmude and the Lys, continued with great violence. In spite of the counter attacks of the enemy in this region the French made slight progress. The text of the communication follows:

"On our left wing the German offensive continued with the same violence in Belgium and in the north of France, particularly between Dixmude and the Lys. In this region in spite of attacks and counter attacks on almost the entire front, excepting at the village of Messines, a part of which was again lost by the allied troops.

"The enemy undertook an important movement against

STAR-INDEPENDENT WILL DISPLAY ELECTION RETURNS

Both Claim Battle for Governor

Brumbaugh Says 250,000 Majority—H. B. McCormick Picks Brother by 20,000

CROW GIVES TO PENROSE 195,000

Says the Senator Will Beat Palmer by That Margin—Blaklee Predicts Penrose Will Go Down by at Least 40,000—McCormick Out of City

Dr. Martin G. Brumbaugh, Republican candidate for Governor, to-day is claiming that he will win by 250,000 votes over Vance C. McCormick, of this city, his Democratic and Washington party rival.

Mr. McCormick was absent from the city, making a final campaign tour in Northampton county to-day, and will not return to the city until late to-night, so no direct statement was obtainable here from him.

Mr. Palmer will run close to Vance as near as I can figure it out, but I think Vance will have a larger vote than Palmer.

Dr. Brumbaugh made his claim in his closing speech of the campaign in West Chester on Saturday night. He predicted his election in the following language:

"I will be elected Governor by a majority of not less than 250,000. I say this advisedly and not boastfully. I say it at the conclusion of my tour of the State, during which I have visited practically every county and have seen the situation with my own eyes."

Crow Looks for Penrose Victory

Republican State Chairman William E. Crow predicts that Senator Penrose will have a majority of 195,000 over Congressman A. Mitchell Palmer, with Pinchot running a poor third, and that Dr. Brumbaugh, candidate for Governor, will win by from 135,000 to 220,000 against the combined Democratic and Washington organizations.

Among Senator Crow's claims are the following:

Senator Penrose will carry 44 of the 67 counties in the State. Dr. Brumbaugh will carry at least 39 counties. All of the other Republican candidates will win without difficulty. The Republicans will get 27 Congressmen, the Democrats 6 and the Washington party 1. Twenty of the 27 State Senators will gain a strong working majority in the House of Representatives.

On Saturday night, after the big Democratic meeting in this city, State Chairman Morris, James I. Blaklee, Fourth Assistant Postmaster General; Congressman Palmer and Mr. McCormick held a conference in a state headquarters at the close of which the following statement was given out by Mr. Blaklee:

Blaklee's Forecast

"Under any method of computation, Penrose will be defeated. It may be by a margin of thirty to forty thousand votes, or, as is more likely, by a landslide that is apparently sweeping the State, which would place his vote only a trifle above Taft's 1912 count. Penrose is absolutely running beyond his own or anybody's expectations if he gets 387,000 votes at the outside limit. Palmer will roll up a splendid return of 425,000. Pinchot will get what is left either way, whether in tabulated computation or in landslide possibilities. 425,000 Palmer votes and 387,000 Penrose votes aggregate 812,000 out

STOUGH GATLING GUNS OPEN FIRE

Evangelist Asserts He Is Against Any Candidate for Office Saloons Are For

DOES NOT TALK PARTY POLITICS

Crowds Outside Tabernacle at Night Prevent Opening of Doors During Meeting—Bishop Darlington Cordially Greets Dr. Stough

"There never was a time when the issue in a political campaign in this State was drawn more clearly than to-day," said the Rev. Dr. Henry W. Stough in opening his six weeks' evangelistic campaign at the tabernacle at North and Cowden streets yesterday.

"I am against any candidate for office the saloons are for. If this be partisan politics, if this be treason, make the most of it."

At the opening service at 10.30 o'clock in the morning the tabernacle was less than one-third full, the total attendance estimated at four thousand. The evangelist gave his sermon on "The Trial of the Gods," an ordinary discourse which afforded him little opportunity to display his wonderful personality. His most striking passages were:

"All the vices in this city are not the causes of the city's condition today. They are not causes, they are results. We must go back to the actual causes. The trouble with this city, Harrisburg has forgotten God. God has been eliminated too much from politics, from the business world, from society life, from educational institutions, from homes, yes, from hearts of the people."

"They tell preachers to mind their own business when they meddle in politics. Some of you have the muzzle and the gag on, so that you dare not go out and rebuke wickedness."

No Partisan Politics

Evangelist Stough's most stirring address of the day was made at the afternoon meeting for church members only, at which no less than six thousand were present. He said in part:

The Stough campaign does not stand for partisan politics. I am not and have not been talking party politics. I make this statement because of garbled reports which have appeared in

MT. VESUVIUS AGAIN ACTIVE

Inhabitants in the Vicinity Greatly Alarmed and Repetition of 1906 Disaster Is Feared

Naples, via Rome, Nov. 2, 12.45 A. M.—Mount Vesuvius is again in eruption and the inhabitants in its vicinity have become greatly alarmed. On Sunday special prayers were made and processions of people went to favored shrines as a repetition of the disaster of 1906 is feared.

The activity of the volcano first manifested itself by deep detonations and rumblings. This was followed by gigantic columns of smoke and soon thereafter an abundant eruption of lava began.

The last serious eruption of Mount Vesuvius occurred in the spring of 1906. Several villages were destroyed and the property loss was estimated at \$20,000,000. About 500 persons were killed and 50,000 were rendered homeless. Many nations, especially the United States, sent aid to the sufferers. There have been several eruptions since 1906, but all were of a minor character and no serious losses resulted.

FIREBUG IS SENT TO PENITENTIARY

Three to Twelve Years for Youth Who Burned the Young Barn in Middletown

HE CONFESSED TO HIS GUILT

Ward Sheetz Admitted Also That He Twice Tried to Burn the Adjoining Dwelling That His Parents Occupied

On a charge of arson brought by State Fire Marshall Baldwin in connection with the burning on October 5, last, of the big barn on the Young farm, West Main street, Middletown, Ward Sheetz, 21 years old, of Middletown, was this morning sentenced by Judge McCarroll to a penitentiary term of not less than three years and not more than twelve. He also got the minimum fine of \$5 and was ordered to pay the costs.

Sheetz besides confessing to firing the barn told the court he made an unsuccessful attempt to destroy, by fire, the dwelling adjoining, which was occupied by his parents, Mr. and Mrs. Uriah Sheetz. That occurred at 4 o'clock on the afternoon of the day following the barn burning. Sheetz said he also was caught in the act of applying a match to a pile of leaves and paper, which he had piled in a room on the second floor of the house
