BRUMBAUGH VISITS OLD OFFICE DEMOCRATS TO GET TOGETHER

Superintendent's Resignation Likely to Leaders in Philadelphia Plan to Be Accepted Tuesday
(Special to the Star-Independent.)
Philadelphia, Nov. 6.—Governor-

acted upon by the Board of Education, probably will be formally accepted at next Tuesday's meeting.

Dr. Jacobs and other educators, associated for years with Dr. Brumbaugh, are planning a testimonial dinner for the Governor-elect in the near future.

Strike at Mahanoy City

Mahanoy City, Pa., Nov. 6.—Because less than a half dozen men had not provided themselves with the new quarter union button and refused to be turned back by pickets, 500 men and boys went on strike at Primrose colliery of the Lehigh Valley Coal Company yesterday. Similar difficulties threaten North Mahanoy and Mahanoy City coal collieries of the Reading unless the union officials can adjust the trouble.

Philadelphia, Nov. 6.—Governor of placing the Democratic organization proposed for the Stock Exchange Building yesterday afternoon, for the first time in many weeks. Work in the offices of the Associate Superintendents were pended for a few moments while the educators and their secretaries greeted the "new Governor."

The Brumbaugh had a pleasant word for each employe of the board who saw him, but admitted that he "was pretty tired and needed a rest." He expressed great satisfaction with the work of the Department of Superintendence and spent half an hour in conference with Dr. William C. Jacobs, the Acting Superintendent of Schools. Dr. Brumbaugh's resignation as Superintendent, submitted early in the summer, but not acted upon by the Board of Education, probably will be formally accepted at next Tuesday's meeting.

BASIS FOR PHONE RATES **BEFORE STATE COMMISSION**

Expert Telephone Men Heard but Experts in Rebuttal Will Give Their Opinion Before the Public Service Body at Next Meeting

Expert testimony as to what should constitute a basis for telephone rates was introduced before the Public Service Commission to-day by H. F. French, representing the Chamber of Commerce of Pittsburgh, and Assistant City Solicitor Charles K. Robinson, representing the city or Pittsburgh. They placed on the stand Professor E. W. Bemis, who is a member of the Advisory Board of the Interstate Commerce Commission in the matter of fixing the valuation of interstate railroads, and Dr. Whitten, who was formerly statistician for the Public Service Commission of New York.

These experts do not believe that the replacement value of a plant should be accepted as a basis for rates but seem more inclined to the thought that the cost of the property ought to receive more consideration. They do not think, however, that the replacement feature ought to be entirely disregarded, because the courts have been inclined to that view and it would be useless to disregard the attitude of these tribunals.

These experts were cross-examined by the attorneys for the Bell Telephone Company and it is expected that testimony in rebuttal will be introduced.

TRY THIS IF YOU HAVE DANDRUFF

Or Are Bothered With Falling Hair or Itching Scalp.

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter
