

CASCARETS FOR COSTIVE BOWELS. SOUR STOMACH, COLD OR HEADACHE

That awful sourness, belching of acid and foul gases; that pain in the pit of the stomach, the heartburn, nervousness, nausea, bloating after eating, feeling of fullness, dizziness and sick headache, means your stomach is sour—your liver is torpid—your bowels constipated. It isn't your stomach's fault—it isn't indigestion—it's biliousness and constipation. Try Cascarets: they sweeten the stomach, remove the sour, fermenting food and foul gases; take bile from the liver and carry off the constipated waste matter from the bowels. Then your stomach trouble, headache, bad cold and all such misery ends.

WANTS TO GO TO GLEN MILLS

15-Year-Old Who Ran Away From New York Will Not Return
"Well, do I go to Glen Mills to-day?" asked 15-year-old George Anderson, who ran away from his home, 532 West One Hundred and Third street, New York, and came to Harrisburg three days ago, determined to get work and shift for himself. Chief of Police Hutchison, in whose care he has been since the Pennsylvania railroad police found him, told George that he would either have to go home or to Glen Mills. George is choosing the latter and refuses to tell why he left home. He is a well-behaved little fellow, but unwavering in his decision to stay away from home. His parents sent money this morning for his return home.

A Horse Laugh
Motorist (blocked by load of hay)—I say, there, pull out and let me by, Farmer—Oh, I dunno ez I'm in any hurry. Motorist (angrily)—You seem in a hurry to let that other fellow's carriage get past. Farmer—That's 'cause his horse wuz eatin' my hay. There hain't no danger o' yew eatin' it, I reckon.—Springfield Republican.

Cheap Carpet Cleaner

"What can I use to clean carpets?" asked a correspondent who signed herself, rather bashfully, "Young Bride."
"Have you tried your young husband?" replied the answers editor, who lost his position just a few hours after the reply appeared.—Cleveland Plain Dealer.

The fool shoos his neighbor's hens from his back yard, but the wise man fixeth up a snug place for them to lay in.

YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

If Cross, Feverish or Bilious Give "California Syrup of Figs"

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given. If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that it's little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Mothers can rest easy after giving this harmless "Fruit Laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle. Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs"; then see that it is made by the "California Fig Syrup Company."
