of Coach Dunkle, a man of the Cockill type, from the same football school. Comparative scores favor the Tech team to such an extent that its followers can see nothing but a victory of the most decisive sort, but the hopes of the Central High fans are not entirely unfounded, as the showing against Wilkes-Barre on Saturday was no meager accomplishment. Central showed no mean amount of defensive powers in the game with Steelton although poor judgment lost the game. An attack similar to Steelton's is employed by Tech in sending a runner away for a wide end run or through between tackle and end. Central had a capable defense for this play against Steelton but it went to pieces after the intermission whereupon Steelton scored and won the game.

the big game. If he does, Central will be in the best shape, so far this season. Tech formations are being used by Central Scrubs to perfect a 'varsity defense. A signal practice and light scrimmage was the order for to-day. All of the Tech players came out of Saturday's game with Steelton in excellent condition and all of the players were out yesterday for early practice. Many plays that Coach Dunkle has been working out during the past few weeks of the campaign are being perfected and Britsch will use these plays against Central. Defensive play plays against Central.
