If the annual advent of Santa Claus does nothing else for us work-a-day grown ups it turns our thoughts to the children, brings a little retrospection of the days of our childhood and by that much, at least, humanizes us and puts us in that humor where we can mix in with the youngsters and for a moment see things through their eyes.

So a hearty welcome is extended to grown ups as well as to children to see Toyland tomorrow. Don't forget to point out to your little youngsters the funny clowns and the animals from Jungland that are to be found in the aisles on the street floor. This attraction is worth a visit to the Christmas Store.

"Through Fairyland," one of the most pleasing Christmas attractions the store has ever developed, will be shown for the first time to-morrow, at 2 o'clock, on the Fourth Floor. Every child ought to see this wonderful exhibit.
