Great Britain and Italy have protested against the law. The copy of the act is expected to reach Washington to-day.

Attributes Health To Duffy's

MR. RUBIN KRAKOWER

The stomach is the disturbing point of the human body. From it we get our blood and strength. Hence it is important that it be kept in a healthy condition. The beneficial results obtained by the judicious use of Duffy's Pure Malt Whiskey in the treatment of stomach complaints has been testified to by many grateful people. Here is another man who attributes his present good health to Duffy's Pure Malt Whiskey.

"I attribute my present good health to Duffy's Pure Malt Whiskey, which I have used for three years and it has relieved me of stomach trouble." Rubin Krakower, 6 Temple St., Paterson, N. J.

Duffy's Pure Malt Whiskey

taken as directed before meals stimulates the mucous surfaces and little glands of the stomach to healthy action, thereby improving the digestion and assimilation of the food and giving to the body its full proportion of nourishment. With perfect digestion no fermentation can take place and no disease germs can be generated. This is the secret of Duffy's Pure Malt Whiskey in prolonging health and activity.

"Get Duffy's and Keep Well."

Sold by most druggists, grocers and dealers in sealed bottles only—never in bulk—by Pennsylvania trade, Full Quarts \$1.25 per bottle; Commercial Quarts \$1.00 per bottle.

MORE REVENUE STAMPS HERE

All Demands For the Stickers Now Being Met By Officials

As was expected by the local internal revenue collector, additional supplies of the revenue stamps have now been received and no businesses are being interfered with. Not all denominations of the stamps are as yet on hand but orders can be met by the lower values.

Proprietary stamps, for use on articles of merchandise taxed by law, can be procured at the revenue office, Federal building. Documentary stamps, for use on commercial papers, can be had not only at that office, but also at the registry window of the postoffice and at several banks.

While all demands for stamps are now being met, many merchants are still keeping records of their sales and will not apply for stamps until they are more plentiful.

Saloon Forces, Sure of Victory, All Remain at Home

Octa, O., Dec. 9.—Assuming that the village would vote "wet" as it has done in every "wet" and "dry" election in its history, not a single saloon advocate went to the polls at the election this year, and as a result the town was carried unanimously by the "drys" who cast 35 votes.

Octa was the only municipality in the county which voted "wet" when the county was carried by the temperance forces in the Rose county option law election.

DRAWS MEN FOR REAL JURORS

Two Weeks' Service, and No Skulking, in Schuylkill

Pottsville, Pa., Dec. 9.—In filling the jury wheel for 1915 yesterday, Judge Bechtel and the Jury Commissioners put in only 1,590 names, instead of the usual 2,500. The reason is the announced determination of the Court to make every citizen drawn for jury service serve two weeks instead of one.

The Court did not allow the name of any juror to be put in who is past service, declared that he had conscientious scruples against capital punishment and would not vote for a first degree, regardless of the evidence. These jurymen have impeded numerous jury trials in this county in the past.
