STARVING PALESTINE JEWS

Turks Will Allow U. S. Succor Ship to Go to Jerusalem

Washington, Dec. 11.—The Turkish government through Ambassador Morgenthau has signified to the State department its willingness that an expedition be sent to the relief of the people of Jerusalem. The expedition is being organized by Hebrew philanthropic societies in New York which plan to send a ship through the Mediterranean to Palestine.

New York, Dec. 11.—Louis Marshall, president of the American Jewish Relief committee, which plans to send a ship load with supplies to the people of Jerusalem, said yesterday the British French and German governments, in addition to the Turkish, have been asked whether they are willing to permit such an expedition to go through safely.

There are approximately 100,000 Jews in Palestine who are in dire necessity, said Mr. Marshall. The plans for the relief of these people are still tentative. A committee has been unable to decide whether it would be more feasible to send a relief ship to Jerusalem from some point in Italy rather than from the United States.

THE FATNESS OF HEALTH

Samose Fills Out the Curves and Makes Thin People Fat

If you are thin, your health is not what it should be. If you are losing weight steadily, there is something wrong that should be attended to at once. You cannot be healthy and strong if you are thin.

Perfect health and good, solid beautiful flesh can only come through the use of Samose, the remarkable flesh-forming food.

Samose is not a drug or a stimulant; it is a scientific flesh-forming food that restores thin people to a normal condition of good healthy flesh.

These statements are confirmed by H. C. Kennedy's offer to refund the money to anyone buying and using Samose who does not gain in weight as promised. The risk is all his. The thin and scrawny can buy Samose at Druggist H. C. Kennedy's store, with the knowledge that if it is not successful it will cost absolutely nothing. Adv.
