**A THIRSTY MAN STEALS SIX QUARTS OF WHISKEY**

Tall and Stout Man Is Only Description Available of Person Who Was Seen in Front of F. E. Smith's Broken Window This Morning at 3.50

A large plate glass window in the front of Frederick E. Smith's wholesale liquor store, Front and Trowick streets, was badly broken about 3.50 o'clock this morning by a man described to be tall and rather heavy, and six quart bottles of whiskey disappeared with him when the robber hurried up Front street to escape a fusillade of bullets which were sent in his direction.

The crash of the glass awakened Miss Elizabeth R. Bowman, who, with her mother, resides on the corner opposite Smith's place of business. Instantly she made an investigation, and discovering a man in the act of removing the liquid goods from the interior of the broken window, she thrust her arm out the open window and fired a shot from a small revolver which she had close at hand.

The sound of the shot quickly brought the owner of the place to a front window of the sleeping floor. By this time the robbery was completed and the man started up the street. Smith sent a number of bullets from his revolver after the fugitive, none of which took effect, and the man escaped.

What implement the man used in breaking the heavy glass is unknown for a close search of the vicinity revealed nothing in the shape of stone or hammer.

**YOUNG HORSE RUNS OFF**

Animal First Attempted to Enter Quality Shop

A young and spirited horse recently purchased by S. Melman and used for the first time this morning by the owner in the delivery of bread from a wagon, caused some excitement about 9.30 o'clock by first attempting to walk into the Quality Shop, Front and Locust streets, into which the owner had gone. Finding the door closed the animal started around the corner and crossed the canal bridge, then turned up along the Reading railway past the Steelton Store Company meat department.

The driver gave chase before the animal got across the bridge, but its increasing speed prevented him in catching up with the runaway until the horse became cornered between a team unloading produce at the warehouse of the Steelton store and the building. No damage resulted to either driver or team.

**CHARGED WITH NON-SUPPORT**

Herbert Drummond Arrested on Charge Preferred by Daughter

Herbert Drummond was arrested yesterday by Constable Emanuel and held for court under bail by Alderman Bayles, charged with non-support of his five small children. The charge was preferred against Drummond by his daughter, Mrs. Alice Anderson, 1316 North Fourth street, who said that her father has not taken any interest or care of his children for the last several months.

She also declares that a few months ago her father left his home and went to Cornwall. During his absence her mother died suddenly and her father returned home and attended the funeral and collected the insurance money, which amounted to nearly \$150. After securing the money her father again left her home and besides refusing to give her something towards the support of the children, also neglected paying the funeral expenses of his wife.
