### RECEIVES SCHOLARSHIP

Former Harrisburg Boy Gets Reward for High Standing in Spanish. Clarence K. Hall, a graduate of the Central High school in 1912 and at present a student of the Pennsylvania State College, won one of the John W. White scholarships for high standing in the Spanish language.

In order to stimulate the study of the Spanish language at the school, Mr. White, who is one of the most prominent alumni of the college and believes that in the future much of the commerce and industry of the world will be centered about the Spanish-American countries, this year offered three \$100 scholarships.

One of the scholarships was to go to the student of the mining or engineering course having the highest standing, one to any student native to one of the Spanish-American countries and one to a student in any of the other courses of the college having the highest standing. Mr. Hall is a miner and, having the highest standing, was awarded the scholarship.

### NO BETTER FOR SURGERY

Young Man Again Confesses That He Is a Robber. Easton, Pa., Dec. 15.—After confessing that he had robbed Young Brothers' store, in Nazareth, Spurgeon Welty, aged 22, was yesterday sentenced by Judge Stewart to serve from five to seven years in the Eastern Penitentiary. This is his third sentence.

In the hope of correcting the boy's criminal tendencies, Philadelphia surgeons several years ago performed an operation on him that attracted wide attention.

### More Births Than Deaths

There were 110 births and 76 deaths in Harrisburg during November, according to the monthly report of the City Health Bureau. This is an increase of eight births and nine deaths over the corresponding period of last year.

## "TRIUMVIRATE" AGREE ON LAWS FOR PHILADELPHIA

Penrose, McNichol and Vare Frame Program Which They Will Put Through the Legislature—Leave Open Question of Speakership. United States Senator Penrose and State Senators McNichol and Vare, of Philadelphia, held a conference yesterday to agree upon legislation for the city during the coming session. Among other things agreed upon for Philadelphia, was that it is to have an appropriation of \$1,000,000 for its port; the Constitutional amendment authorizing the city to borrow \$25,000,000 is to be passed again, as are also the amendments to permit the city to increase its borrowing capacity from 7 to 10 per cent, on its assessed valuation and to consolidate the Philadelphia common pleas courts.

It was agreed that the session should adjourn about April 15, but the country members will have some say on that question. The Speakership was not taken up at the conference of the triumvirate, but it is expected that the matter will be discussed at another meeting to be held in Senator Penrose's office on Friday. Senator McNichol and his family will go to St. Lucie, Fla., on Friday evening and will not return until January 2, on the eve of the organization of the Legislature.

Senator McNichol is said to be disinclined to interfere in the contest for the Speakership and will leave the matter to the decision of Senators Penrose and Vare. Senator McNichol is said to also favor approval for "progressive" legislation generally, which may be urged by Dr. Brumbaugh, with the exception of local option. At the meeting on Friday it is expected that the leaders will endeavor to agree upon plans for child labor and workmen's compensation acts. It is practically understood that some legislation in this direction will be enacted, but the extent of the reform has not been determined.

The leaders also propose to reach a decision regarding the Congressional reapportionment. All plans so far suggested for this redistribution of districts call for one extra Representative each for Philadelphia and Allegheny, and two new members for the country districts. It is understood that the local organization leaders, both in this city and Allegheny county, are favorable to this proposition, but doubt if the country interests can agree upon an amicable scheme of reapportionment for the rest of the State.

## Incendiary Fire on Farm

Bowmansville, Dec. 15.—A fire of incendiary origin occurred last night on the farm of William T. Good, which destroyed the barn, chicken house and corn crib, entailing a loss of several thousand dollars. All the live stock was saved with the exception of the chickens. By the heroic work of neighbors the farm house was saved.
