A NEW PARK FOR NEW YORK

To Have Seating Capacity of 40,000—Wild Bill Donovan Latest Managerial Choice

Philadelphia, Dec. 23.—Ban Johnson said yesterday that Ruppert, Huston, et al., had decided upon an expenditure of \$425,000 for a grandstand on Manhattan Island.

The new field will have a seating capacity of 40,000, or about 3,000 more than can be handled at the Polo Grounds, now the largest park in the country.

Wild Bill Donovan, who is spending the winter in Philadelphia, stated last night that he had received an official notice that he had been selected as the new manager of the Yankees.

He said he had never met either Colonel Ruppert or T. L. Huston, the prospective owners of the club, but said his side of the affair was cared for by Frank Navin, of the Detroit club, and President Lannin, of the Boston Red Sox.

Donovan is a graduate of the famous school of "Park Sparrows," as those who played baseball in Fairmount Park near Strawberry Mansion are called.

Rote is a broken field runner of ability and runs the team in good fashion. He has had more actual football experience than any scholastic player who will be in school next year.

Rote thanked the members of the squad for his election and promised he would make every effort to have a winning team next year.

Faculty Athletic Director Saul, who acted as toastmaster said the finances of the athletic association were in good shape and the prospects for next season are excellent.

The proposed amendment defines an amateur as one "who does not accept money or the equivalent thereof, directly or indirectly, in his association with the game of golf."

DEMAREST AMATEUR CHAMP

Now a Pro Will Play Harry Cline in Billiard Players' League in This City

It was through the friendship of the late John R. Drake, the Chicago millionaire, that Calvin Demarest became a champion billiard player.

This is of interest at this time because Mr. Demarest is a member of the recently organized Champion Billiard Players' League and is to appear in this city during the coming season in match games with the other members of the league for the grand prize, or league "pennant."

Mr. Drake had often seen Demarest play and was among the first to recognize his unusual talent. In order to aid him in the development of his game Mr. Drake gave the young player a position in his brokerage office where the increased pay and the short hours furnished Demarest with the opportunity to become a real champion.

Almost immediately after the youthful expert began to devote more time and study of the mastery of billiards he showed wonderful improvement and his strides towards the championship class were very rapid.

For a long time he confined his efforts to the amateur branch of the game and finally landed the amateur title of the world. This title he successfully defended for three years, playing un-der the colors of the Chicago Athletic Club.

After three years Demarest laid aside his amateur title and at the age of 21 entered the professional ranks. Shortly afterwards he won the 18:2 championship from George Sutton. This contest was one of the most remarkable on record.

Demarest has always given full credit to the kind interest of John A. Drake, without which he is certain that his billiard honors would have been long delayed, if ever realized.

BARBER SHOP BASEBALL

The two Chicago clubs are among the busiest in trying to secure new talent. Roger Bresnahan has been turned down by Cincinnati. He offered Lavender, Leach and Red Corridan for Heine Groh.

Miller Huggins will be able to use Ham Hyatt to good advantage. The Cardinals did not possess a dependable sticksmith for emergencies. Hyatt did not quite live up to his reputation in 1914, but St. Louis will be able to gamble with him until May 1 at any rate.

There is a possibility that George Stallings may give Jack Coombs a trial next spring. The Miracle Man was the only manager in the big show who did not at once wear claim to the once formidable Athletic twirler.

Otto Stifel, of the St. Louis Feds, who announces that he is partial to Germans, has been in conference with Hans Lobert, of the Phillies. Lobert is quoted from the Mound City as declaring that he is ready to talk business. It looks more and more as if Sherwood Magee will have to assume a Tontont monicker before his wallings will be heard.

The National and American League all stars have returned from Honolulu. They will be disbanded December 27. They are booked for Fresno to-day; Bakersfield, December 24; San Diego, December 25, and Los Angeles, December 26-27. The trip has been a great financial success. Each player had a \$1,500 interest before the boys sailed for Honolulu.

Ray Miller, first baseman of Columbus, declares Walter Gerber, the Pirates' new shortstop, is the best ever. It is likely that Hans Wagner may have something to say in rebuttal around April 14.

Fred Clarke having failed to induce Ed Konetyh to do a "Walter Johnson," Miller Huggins has assumed the task. The wonder of it is just why. James Gilmore assures Toronto it will be in the Federal League in 1916. In considering this remember that Kaiser promised to dine his General Staff in Buckingham Palace Christmas Day.
