THE COSTUME, THE FABRIC, THE TRIMMING

The Short Jacket Successfully Combines With the Full Flare Skirt—The Popular Chiffon Scarf

Stata Zoologist H. A. Surface calls attention to the fact that the present snow, although not deep, is very general in extent over the State, and is peculiar in the fact that it covers the ground nearly everywhere, not even leaving the southern hillside exposed.

This makes it impossible for that most beneficial agricultural bird, the quail, to find much food excepting weed seeds at this time, and in many places the supply of this kind of food will soon be gone.

When Gas Was New

There is a tradition to the effect that when domestic lighting by gas was still a novelty Sir Walter Scott introduced it into every room and staircase of the house that he was building at Abbotsford and did so without provision for any unexpected failure.

Where Ignorance Is Bliss

"All men are fools," exclaimed the pessimist. "True," agreed the optimist, "but they are not reminded so often of it if they remain single."—Puck.
