Year End Sale

We want to start the New Year with cleaner stocks; we must close out many odd lots and broken assortments in order to do this. Besides telling you of the remarkable price reductions (in which every mark down is genuine) you have the whole story in a nut shell, and we might throw out the suggestion that those who come early will secure the best.

A YEAR-END CLEAN-UP OF ODD LOTS IN THE CLOAK DEPARTMENT

Here are garments of excellent quality—some that are perfectly new—some that were of last season's purchase—but all of splendid materials and of good workmanship. The prices will make a quick change of ownership.
CLEARANCE OF COATS AT \$2.98, \$3.98, \$4.98 and \$5.98—
They were \$10.00 to \$25.00. About fifty heavy winter coats in women's and misses' sizes—bought late last season; in staple style and colors; excellent materials.
TWO EVENING COATS AT \$15.00—
That were actually priced at \$50.00. One is a handsome light blue broadcloth, lined throughout with heavy peau d'eygne, and interlined; with big white Iceland fox collar—(the collar alone is worth the price of the coat). The other is a handsome dark taupe broadcloth lined throughout with heavy satin—a copy of an imported coat. Suitable for street or theatre.
THREE EVENING COATS AT \$12.50—
That were \$35.00. One is a dark tan—one a leather—the other bisque. All are in fine broadcloths, and beautifully lined. One is trimmed with fur fabric; one with velvet; the other with satin and braid. All are lined throughout.
STREET AND EVENING COATS AT \$10.00—
Several models that were \$25.00, \$27.50 and \$30.00. One is a brocade plush with fur trimming; one is an exquisite silk poplin lined with heavy satin; another is cerise coachin broadcloth lined with satin; while brocade silk poplin and zibeline are also featured. The coats are worth an investigation—the materials, the workmanship and the modeling are all so good that the woman who sees them is sure to be attracted.
WOMEN'S AND MISSES' TAILORED SUITS AT \$3.98, \$4.98, \$5.98
They were \$12.50 to \$25.00. Bought late last season. Black and navy mostly. Pure wool serges and poplins. All sizes, but not all sizes in all styles. Most of them are in plain tailored or semi-tailored styles that are staple. The skirts alone are worth more—and most of the coats are plain, so that they can be worn at any time with any other garments.
\$2.50 MESSALINE PETTICOATS AT \$1.25—
Not for clearance, for we are selling them every day at full price—but just to add interest to the sale. They are pure silk—in all the wanted colors and black—and they are all new. About a hundred of them in all. (Only one will be sold to each customer.)

SAMPLE SKIRTS AT YEAR-END PRICES

Plain skirts in fine Meltons, in a good color assortment and a good range of sizes, at \$3.98—regularly \$10.00.
Don't think of these as reduced owing to undesirability for they are just what you would select if you were out to buy a skirt at full price. But—and we're frank about it—we anticipate different skirts next spring and want to reduce our stock. Plenty of time to wear these before the new ones are here. About twenty-five serge, poplin and other all wool fabric dresses that were \$6.00, \$7.50, \$10.00, \$12.50 and \$15. Year-End price, \$3.98.
Any new velvet, silk or satin dress in our entire stock at exactly half price. (This is for the one day only—the Year-End Sale.)
Children's Coats in the Year-End Sale. Choice of the stock at \$2.98. Good coats, but not many of them—only about two dozen. Good styles, good materials. First comers will get the pick.
Second Floor—BOWMAN'S.

Do you want to trim your suit or coat with fur? We have a lot of fine furs—not new pieces—but good. In black, brown and squirrel. They'll make beautiful trimming—or hats. The prices will astonish you—less than a fourth of value.
A small lot of Silk Dresses that we want to dispose of quickly, they were formerly \$10.00, \$12.50 and \$15.00—a few were still higher priced. Year-End price, \$3.98 and \$4.98.
