### MURDER WITNESSES JAILED

#### New York Detectives Arrest Two Men in Baff Case

New York, Jan. 1.—Detectives last night arrested two men as material witnesses in connection with the murder of Barnett Baff, the New York poultry dealer, who was assassinated on the street recently by two men, who escaped in an automobile.

The men taken into custody were booked as William Ymanster, 39 years old, of Jersey City, and Myer Shine, 27, a poultry dealer of this city. Ymanster stated that he was an agent for the Teamsters' Union, according to the police, who said that he is known among his associates as "Lukey Doyle."

Police Inspector Aurot maintained the utmost secrecy concerning the arrest of the two men.

How Baff is alleged to have found Harlem and Bronx retail poultry dealers to form themselves into an association and agree to take over two places by paying Baff \$5,000 at \$250 a week for the rental of these places, as well

as to buy at least six carloads of poultry a week from Baff at one-half a cent a pound above the quoted New York market price, is described in affidavits made by rival poultry dealers of Baff, the existence of these documents coming to light yesterday.

The hearing was held in the City Hall, which was crowded with spectators.

Mrs. George Pettit graphically told of the shot crashing through the window and killing the child, and of the return later of the confessed slayer to her home begging forgiveness for his crime.

Mrs. Pettit testified that when Hawn came in and saw the child lying on the couch, he said, "Yes, she's dead, and I am the man who killed her, but the bullet was never intended for her." She said that Hawn was infatuated with her daughter, Alice Pettit, but that she
