copper was the only American issue to show any advance subroad.

The market became more uneven in the later dealings but developed some features of interest, the international group showing underlying strength. Union Pacific, Canadian Pacific, Baltimore and Ohio and New York Central, rose from 1-2 to 2 points, Canadian Pacific making the greatest gain. Local brokers reported some inquiry from London for the foregoing issues. On the other hand, Steel, Pennsylvania and Reading yielded further fractions. The

Reading yielded further fractions. The business of the first hour was fair, but by noon dullness again ruled. Bonds followed the regular course of stocks with further heaviness in St. Paul convertibles.
