

HARRISBURG DRUGGIST PLEASES CUSTOMERS
 G. A. Gorgas, druggist, 16 North Third Street, reports customers greatly pleased with the QUICK action of simple buckthorn bark, glycerine, etc., as mixed in Adler-ka. This simple remedy drains the old foul matter from the bowels so THOROUGHLY that ONE SPOONFUL relieves almost ANY CASE of constipation, sour or gassy stomach. It is so powerful that it is used successfully in appendicitis. Adler-ka never gripes and the INSTANT action is surprising.—Adv.

HIGH WHEAT MAY RAISE LOAF

Lancaster, Pa., Jan. 7.—Millers are to-day paying \$1.25 per bushel for wheat. This is a higher price than has ruled since the Civil war. Bakers are considering what they shall reduce the size of their loaves of bread or increase the five-cent loaves to seven cents.

Concealing the Horrors of War
 La Panne, the little seaside village, built for summer gaiety, had more of the romance of war in it than any place I have seen.

The half dozen summer hotels and all the villas were filled with the mothers, wives, and children of the Belgian soldiers whose firing line I had just left. Their homes had been in Brussels. Antwerp, Ghent. Now they were in the last little town in Belgium. To some their soldiers had already returned, and they were dining as merrily as if to-morrow did not hold out a reasonable likelihood of being killed. At the doors of the hotels, at the street were many others waiting, and, as the street had filled up with another French artillery division bivouacked for a few days, they could not see their men folk until they were close at hand. Now and then as we passed we could hear little gasps of happiness. For some, of course, there were disappointment and bad news. But they must have carried their sorrow to their chambers, as La Panne was all gaiety.

A comment on the Belgian soldiers made at the beginning of the war occurred to me: "They shoot the enemy all day; at night they come home and kiss mother. In the morning they kiss mother again and go back to shoot some more."

Arrested in Bomb Plot
 Altoona, Pa., Jan. 7.—Christian Charles, 28 years old, an East Indian, who recently became fireman at a semiary in Hollidaysburg and roomed at the Y. M. C. A., was arrested Tuesday night when he picked up a can, which the police had placed in an alley as a decoy for the person who wrote a Black Hand letter to Moses Brown, a wealthy colored resident of Hollidaysburg. The letter writer demanded \$150, threatening to dynamite Brown's home and kill Brown if the money was not paid.

Man Held Up and Shot
 Scranton, Jan. 7.—Emanuel Rogers, 67 years old, was held up and shot early yesterday morning on the Lackawanna avenue bridge, in the heart of the city. Rogers may die at the State hospital, where he was taken. His assailants, two unknown men, escaped. One shot was fired at Rogers, the bullet entering his back and penetrating his left breast. Seventy-five cents, all he had with him, was taken.

Do You Get It?
 A young author solaced himself with the following epigram: Criticism is always of value, if only to show us of what little value criticism may sometimes be.—Woman's Home Companion.

Quickest, Surest Cough Remedy is Home-Made

Some people are constantly annoyed from one year's end to the other with persistent bronchial cough, which is wholly unnecessary. Here is a home-made remedy that gets right at the cause and will make you wonder what became of it. Get 2½ ounces Pinex (50 cents worth) from any druggist, pour into a pint bottle and fill the bottle with plain granulated sugar syrup. Start taking it at once. Gradually but surely you will notice a plethm thin out and then disappear altogether, thus ending a cough that you never thought would be cured. It also loosens the dry, hoarse or tight cough and heals the inflammation in a painful cough with remarkable rapidity. Ordinary coughs are conquered by it in 24 hours or less. Nothing better for bronchitis, winter coughs and bronchial asthma.

This Pinex and Sugar Syrup mixture makes a full pint—enough to last a family a long time—at a cost of only 54 cents. Keeps perfectly and tastes pleasant. Easily prepared. Full directions with Pinex.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, rich in guaiaic, and is famous the world over for its ease, certainty and promptness in overcoming bad coughs, chest and throat colds.

Get the genuine. Ask your druggist for "2½ ounces Pinex," and do not accept anything else. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.
