CALDWELL CONFIRMS REPORT

Pitcher Acted on Advice of Attorneys in Returning to Yankees
Kane, Pa., Jan. 8.—The report from New York yesterday that Pitcher Ray Caldwell, who had signed a contract with the Buffalo Federals, had decided to return to the New York Americans, was confirmed last night by the pitcher, who stated that he had mailed his signed contract to New York headquarters. "I reached my decision after I had secured legal advice, which informed me that the option the New York club had on me was binding," said Caldwell. "The new owners of the New York club offered me a contract which calls for more than double the amount of salary I received from that club last season. It is somewhat larger than the contract I received from the Buffalo Federals and after careful consideration I decided to sign it."

TIRED OF TWO MEN AT THE HELM IN NATIONAL GAME

Joe Tinker Says Feds Plan to Brattle Ban Johnson and Herrmann From Game—Good Housecleaning Needed
Indianapolis, Ind., Jan. 8.—Affidavits in support of contentions made in the anti-trust suit recently filed in the United States Court at Chicago by the Federal League against so-called "organized" baseball were to be made here at the Federal League conference which began yesterday. According to E. E. Gates, counsel for the new league, the Indianapolis meeting was called in order to obtain added evidence in substantiation of the general bill of complaint prepared by the Federals against the older organizations. The conference is expected to continue for several days. Joe Tinker, manager of the Chicago club, was the only man who attended who would talk of the meeting last night. He said that the Federals are planning to give baseball a "good housecleaning," and continued: "We want to eradicate the 'business men in the game and put in no one who is not a sportsman. We are tired of having baseball run by two men, Ban Johnson and Garry Herrmann."

Those attending the conference include Mr. Gates, John M. Ward, former big league player; Ned Hanlon, Harry Goldman and Otto Knable, of the Baltimore club; Joe Tinker, Rebel Oakes, manager of the Pittsburgh team; Lee Magee, recently appointed manager of the Brooklyn club; Pitcher Perritt and Ed Konecny, claimed by the Pittsburgh Federals; Lloyd Rickert, secretary of the league, and Keene Addington, counsel for the Federals, is expected to come to Indianapolis today. Harry Goldman said he thinks the Baltimore International League Club will be sold soon. John M. Ward, who is an attorney, refused to discuss the report that he is to assist the Federal League counsel in the anti-trust suit. A number of trades for players may develop at the gathering, it was said.

PAYING LAJOIE'S SALARY

Cleveland Club Unable to Pay \$9,000 Called For
That Connie Mack has not assumed the entire contract of Lajoie is a belief based on the fact that the Cleveland Club made that sort of an arrangement with the St. Louis Club, last season, but Lajoie thwarted the transaction by refusing to go to St. Louis. Cleveland wanted to get rid of Lajoie, but while there were several clubs that were willing to take him, all balked when they learned the veteran was drawing \$9,000 a year, and that his contract did not expire until the close of the season of 1916. As a special inducement, Owner Somers offered to pay \$4,000 of the salary, leaving \$5,000 for the St. Louis Club to settle. This was agreed upon, but when Lajoie was notified to join the St. Louis team he refused, and the deal fell through. It is most likely that a similar arrangement has been made with the Athletics, for there is no way to figure that Lajoie at the present stage of his career is worth the salary he is drawing. Lajoie has a contract which must be fulfilled, and as Connie Mack has been under obligations to Charley Somers for many years, he is willing to help him out.—Washington Star.

FAREWELL PARTY FOR COLLINS

Several Members of Athletics Visit Eddie by Surprise
Philadelphia, Jan. 8.—Several of Eddie Collins' former teammates journeyed to Lansdowne last night and gave a farewell surprise party to the departing second baseman. Eddie was the busiest man in the borough, as the telephone bell rang constantly with persons inquiring of the reported trade which the White Sox are not likely to make. Among those attending the affair last night at the Collins' residence were Harry Davis, Jack Lapp, Chief Bender, Johnny Green, Bob Shawkey and Herb Pennock. The event was a decided surprise for Eddie, as the crowd merely walked in on him without even notifying Mrs. Collins.

New Owners in Control

New York, Jan. 8.—The final details of the transfer of the New York American League Baseball Club franchise were completed yesterday afternoon. Colonel Jacob Ruppert and L. Huston, the new owners, assumed control with the passing of stock by Frank J. Farrell, the former executive, President B. B. Johnson, of the American League, left immediately for Chicago, after having devoted almost a month to the consummation of the deal which gives the club new owners for the first time since its establishment here in 1903. Bumper crops are fine, but one must be careful that they do not bump the wrong persons.

HERO OF NEW YORK SUBWAY PANIC AND RESCUE OF ONE OF THE VICTIMS

PATROLMAN GEORGE F. BISHOP OF TRAFFIC C. WHO RESCUED FOUR PERSONS FROM WRECK

CARRYING OUT ONE OF THE WOMEN SMOKE VICTIMS

In the great subway disaster in New York city sixty thousand persons staggered through the darkened subway tube to stations, hundreds of persons trapped in two trains were made unconscious by poisonous smoke and a large section of the city was thrown into chaos. Never has the city suffered such a paralysis of traffic and never has there been an accident in the city with such widespread effect. Panic seized a thousand or more men or women packed in two trains when great volumes of flames and smoke shot out into the subway. Those who were not trampled upon in the fight to drive out of windows and doors were overcome by the dense smoke. Girls and delicate women fought for life and were trodden under foot. For hours police reserves and firemen endangered their lives bringing these helpless ones to the street, where ambulance surgeons from all hospitals and scores of volunteer physicians worked over them. One marvelous part of the whole affair was that only one life was lost, that of a woman.

RICH AUTO RACING CIRCUIT

Over \$200,000 Hung Up for Coming Meets
Indianapolis, Jan. 8.—Prize money for automobile racing, conservatively estimated, will total not less than \$200,000 this year, with the possibility that this amount will reach \$400,000 before the season is out. The largest individual purse, of course, belongs to Indianapolis, with its \$50,000 in cash and \$25,000 in necessary prizes and trophies. The various cash awards, in the order of their financial importance, are as follows: Indianapolis, \$50,000; Sioux City, \$25,000; Omaha, \$25,000; Tacoma, \$15,000; Venice, \$15,000; Vanderbilt, \$10,000; Grand Prize, \$10,000; Elgin, \$10,000; El Paso-San Diego, \$10,000; Los Angeles-Phoenix, \$10,000; Oklahoma City, \$10,000; Galesburg, \$5,000; Galesburg, \$5,000; Uniontown Hill Climb, \$5,000. Total, \$205,000. Prizes, which may be added, provided the promotive schemes in back of them do not fail, are: Chicago, \$50,000; New York, \$50,000; Minneapolis, \$50,000; Detroit, \$25,000, and Los Angeles, \$10,000; together with minor offerings by dirt tracks, such as Peoria, Grand Rapids and Kalamazoo, from \$2,500 on down. On the whole the prospect seems most inviting, even to the most hardened pessimist. Certainly there are other sports presenting a like inducement.

Coal Complaints

Sometimes accidents will happen no difference how hard one tries to prevent them. Occasionally a person will order coal not suited for the purpose intended and they will not get good results.

Or the driver may be careless in the delivery and you get coal put into your cellar in a manner that displeases you, etc.

If you have a complaint bring it direct to us. Five minutes spent in our office will get results for customers where five hours' discussion with your neighbors will lead to nothing except toward depriving us of the good will which we need in order to serve the public to the best of our ability.

This is the Latest Municipal Industry in Atlantic City
Atlantic City, N. J., Jan. 8.—There have been so many cat operas and back fence serenades here of late that peaceful slumber is next to impossible. The City Fathers have decided in consequence to war on toms and tabbies and fish peddlers have been ordered to the front. These peddlers will go about the streets wailing "Fresh fish; fresh fish; and the cats are expected to appear, leap on the peddler carts and have nets thrown over them. The cat catchers will get fifty cents for every tom and tabby brought to the pound.
