New York, Jan. 12.—(Wall Street)
—Variable price movements marked early dealings on the Stock Exchange to-day with indications of a halt in the recent rise. The leaders were mostly a trifle under yesterday 's close, Amalgamated Copper and Reading being the most notable exceptions. A one point decline in Bethlehem Steel sent the block down to the level of U.-S. Steel

which opened with a slight gain. St. Paul was strong and the prominent raitroads. Reactionary tendencies developed soon after the opening, Union Pacific, Canadian Pacific and New York Central falling back half a point. London offered no encouragement to local speculation, Americans being generally lower.

Trading was on an increasing scale of activity during the first hour, but relapsed into dullness later. The movement as a whole was narrower than yesterday's but all material advances of which there were a number were confined to specialties, such relatively inactive issues of National Lead, General Motors and American Sugar gaining 2 to 3 points. Steel was the only of which there were confined to specialties, such reconfined to rise above its best price of the preceding session, other deaders selling at or under that level. Steel 5s were prominent in the bond division with Northern Pacific 3s, but Rock Island collaterals were weak.

In view of the predicted entrance into the war of Rumania and perhaps Italy, unusual interest attaches to dispatches indicating that disquiet in the Balkans is spreading. Italy may be called upon soon to resort to force of arms in Albania. The insurgents are said to be bringing up guns to direct against Durazzo, the port recently occupied by Italian forces. Servia's aspirations have expanded since her victory over the Austrian army, and according to a Rome dispatch she now insists that, in the event of victory for the allies, she must receive Bosnia. Herzegovina and Dalmatia. Italy has sent troops to the Italian islands in the Aegan Archipelago, which she is fortifying. Rumania is to begin the mobilization of her army late this month.

Trial of John Burns Is Halted When Chief Bomgardner Does Not Appear to Give Testimony as Star Witness for the Commonwealth

Parker, a Steetton colored youth, whom Robert Geary, colored, accused of attempting to run away with Mrs. Geary and her five small children, was begun before a criminal court jury ing, but was halted because A. Geary, the man who claims to have been injured, did not hesitate, while on been injured, did not hesitate, while on the witness stand, to say that young Burns was endeavoring to "skip" with Mrs. Geary and her babies, when the police arrested the defendant. However he said he brought a charge of larceny only against Burns, claiming he stole a trunk from the Geary home, 522 Ridge street, Steelton, which, witnesses said, contained clothing belonging to Mrs. Geary and the children. Geary said he doesn't know the present whereabouts of his wife.

Bomgardner is the policeman who searched the defendant a few moments before Burns was, it is alleged, about to depart on a train for the West, and the District Attorney said it was necessary to have Bomgardner in court to support the claim that Burns had two tickets to Chicago, Ill., when apprehended.

Burns denied that railroad tickets had been taken from him. He also de-nied that he intended running away with Mrs. Geary. Geary said that Burns laid the alleged plan to run away. with Mrs. Geary while the defendant was a boarder in the Geary home. The ease may be tried later in the week. Mrs. Geary is 27 years old.
