A Simple Way To Remove Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy, every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.—Adv.

COCOANUT OIL MAKES A SPLENDID SHAMPOO. If you want to keep your hair in good condition, the less soap you use the better.

Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain mulsified coconut oil (which is pure and entirely greaseless), is much better than soap or anything else you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get mulsified coconut oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.

BRITISH RELAX CENSORSHIP CODE MESSAGES ALLOWED

New York, Jan. 15.—Relaxation of the censorship exercised over the cables between territory of the allied nations and between those territories and neutral countries outside of Europe, including the United States, was announced here yesterday by the cable companies.

On and after to-day, it was announced, the British censors will permit the use of code in messages between places in colonial possessions, British territory or allied or neutral Powers outside of Europe; between colonial possessions themselves, and between colonial possessions and allied territory, wherever situated.

Code messages addressed to or emanating from neutral territory in Europe will not be admitted. As the result of a conference in Washington between officials of the Navy Department and of the Marconi Wireless Telegraph Company, the restrictions against the transmission of code wireless messages between the United States and the Hawaiian Islands have also been removed.

The restrictions were imposed by the Navy Department after the Marconi station in the islands had transmitted an unneutral message announcing the arrival of the German cruiser Geier.

TANGLE OVER GERMAN SHIP DETAINED AT GIBRALTAR

Washington, Jan. 15.—The British government has offered to allow the former German steamship Schneckfels, now lying at Gibraltar, to proceed to an American port with her cargo of goods for the United States, if she is recognized as a British vessel upon her entry.

The Schneckfels was seized last August and before a British prize court at Gibraltar forfeited to the British government. Her cargo had been purchased by American consignees and was held to be neutral. As there was no available ship at Gibraltar, the British government consented to allow the Schneckfels to continue her voyage under the condition that the British registry be recognized.

State Department officials so far have not found their way clear to agree, because of the uncertainty surrounding the transfer of flags by belligerent-owned ships, and the question is still under consideration.

ACID IN STOMACH SOURS THE FOOD

Says Excess of Hydrochloric Acid is Cause of Indigestion.

A well-known authority states that stomach trouble and indigestion is nearly always due to acidity—acid stomach—and not, as most people believe, from a lack of digestive juices. He states that an excess of hydrochloric acid in the stomach retards digestion and starts food fermentation, then our meals sour like garbage in a can, forming acid fluids and gases which inflate the stomach like a toy balloon. We then get that heavy, lumpy feeling in the chest, we eructate sour food, belch gas, or have heartburn, flatulence, waterbrash, or nausea.

He tells us to lay side all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast while it is effervescing, and furthermore, to continue this for one week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salt is used by thousands of people for stomach trouble with excellent results.—Adv.

Boggy's Mustarino Ends Sore Throat, Lumbago, Neuralgia

Will Not Blister and is Always Ready. Nothing So Good for Rheumatic Pains and Neuritis.

For only 25 cents you can get a big yellow box of yellow MUSTARINO and sincere druggists will tell you that it isn't better than any plaster, liniment or ointment you ever used, money back.

BEGY'S MUSTARINO absorbs instantly, is very penetrating and that's why it only takes a few minutes to get rid of earache, headache, toothache, backache and neuralgia.

Rub it on to-night and in the morning that sore raw throat will be better. It acts the same way with tonsillitis, bronchitis and pleurisy.

It's America's household remedy for sprains, bruises, soreness, lameness, stiff neck, cramps in legs or sore muscles. Ask for BEGY'S MUSTARINO in the yellow box, the original yellow mustard preparation.—Adv.

LEBANON FAIR OFFICERS

Week of August 17 Selected for Annual Exhibition. Lebanon, Jan. 15.—The week of August 17 has been selected by the directors of the Lebanon Valley Fair Association as the time to hold their annual fair and races for Lebanon county this year. The newly-elected directors met for reorganization at the Court House. W. H. Bollman was re-elected president; T. A. Royer, H. C. Grittinger, Moses Pittner, M. C. Strickler, H. A. Andrews and C. R. Lantz, vice presidents; former Sheriff John A. Bollman, re-elected secretary and superintendent; Henry Nowlen succeeds C. S. Havard as treasurer. S. S. Bomberger will again have charge of the fair's hotel on the grounds. President Bollman named R. B. Light, Walter Kniser and M. J. Strickler as auditors to audit the treasurer's books for 1914.

Resolutions were adopted favoring the Pennsylvania County Fair Association's plans for a larger State appropriation for county fairs and also opposing the State Keystone Fair Association. On Thursday evening, January 21, at the William Penn hotel, the directors will be the guests of President Bollman at a turkey dinner.
