# How to Cure Rheumatism

Here is a prescription for rheuma-tism (to be mixed at home) used all over the U.S. for many years and said to be the surest known remedy; neu-tralizes acid in the blood and gives results after first dose. "One ounce of Toris compound and one ounce syrup of Sarsaparilla. Put these two ingre-dients in half pint of whiskey. Use a tablespoonful before meals and a bed time." Get ingredients at any drug store. Genuine Toris comes in one ounce scaled yellow packages put up by Globe Pharm. Co., Dayton, O.

force sufficiently large to meet such emergencies as arose last night and which might arise once or twice a year. "What we regret more than any-thing else is that people who do have a legitimate need for telephone service at such times are delayed. It sometimes comes to our notice that people are call-ing for their physicians at such times, and, of course, it is impossible for the operators to distinguish between such calls and what we term 'curiosity calls.' The result is a delay in getting the call through to the doctor. "If the subscribers will only use the telephone on such occasions when they have a real need for them we would be able promptly to handle their calls and everybody would be happy.'
