**THOUSANDS SHAKE HAND OF THE NEW GOVERNOR**  
 House Caucus Room Crowded At the Inaugural Reception Last Night—Dr. Brumbaugh Afterward Greets Hundreds at Ball of "Big Q"  
 The inaugural reception held last evening in the House caucus room attracted thousands of persons from this city and from all parts of the State, who lined up in the aisles in the main corridor and waited patiently for several hours for an opportunity of shaking hands with Governor Martin G. Brumbaugh and members of his party.  
 The Governor and his party were late in arriving at the Capitol and by the time Dr. Brumbaugh got to the Hill, three or four thousand persons were waiting inside and outside the building, for the State police to give the word that would start the long line moving. Superintendent Groome and Deputy Superintendent Lamb were in charge of the State troopers and while the crowds were unusually large, the interior halls were kept only comfortably filled and the people always kept on the move.  
 In the receiving line with Governor Brumbaugh were Lieutenant Governor and Mrs. Frank B. McClain, Miss Mabel Brumbaugh, Senator and Mrs. Charles Kline, Attorney General and Mrs. Francis Shunk Brown, Secretary of the Commonwealth Cyrus E. Woods and Mrs. Woods, Private Secretary James S. Hiatt, Senator and Mrs. E. E. Beidleman and other State officials and their wives, Public Service Commissioner Walter H. Gaither introduced the visitors as they passed down the line.

 Mrs. McClain wore a gown of black chiffon and cloth of silver over black satin; Miss Brumbaugh, white crepe de Chine, with pearls; Mrs. E. E. Beidleman, pink satin with lace overdress and girde of pearls; Mrs. Woods, green chiffon over satin, and Mrs. Brown, lace robe over satin and pearl and diamond ornaments.  
 Following the reception at the Capitol the Governor and members of his party left for Chestnut Street Auditorium where the inaugural ball was held, under the auspices of the Big "Q" Society. Upon their arrival there dancing was discontinued until the official guests had departed.  
 The hall was beautifully decorated with a profusion of palms, cut flowers and State and society emblems. The Zumbo band and orchestra furnished music for the dancing. Among the guests were:

**BEAUTY DOCTOR TELLS SECRET**  
 Detroit Beauty Doctor Gives Simple Recipe to Darken Gray Hair and Promotes Its Growth  
 Miss Alice Whitney, a well-known beauty doctor of Detroit, Mich., recently gave out the following statement: "Anyone can prepare a simple mixture at home, at very little cost, that will darken gray hair, promote its growth and make it soft and glossy.  
 To half a pint of water add 1 oz. of bay rum, a small box of Barbo Compound and 3/4 oz. of glycerine. These ingredients can be bought at any drug store at very little cost. Apply to the hair twice a week until the desired shade is obtained. This will make a gray-haired person look twenty years younger. It is also fine to promote the growth of the hair, relieve itching and scalp disease, and is excellent for dandruff and falling hair.—Adv.

**RING OF THE FISHERMAN**  
 Used by the Popes to Seal Documents of the Holy See  
 The ring of the fisherman used by the pope exclusively to seal documents of the holy see shows an engraved figure of St. Peter, the first bishop of Rome, standing in a boat and flinging with two hands a net into the sea.  
 In 1809, when the French occupied the city of Rome, Pius VII., then pope, was ordered by General Radet to surrender the fisherman's ring. The pontiff refused. He feared that by means of the sanction of the ring the French government would be enabled to issue dangerous documents.  
 When finally forced to surrender it the pope altered the engraving or stamp with the view of making it useless to his enemies. This seal thus defaced was forwarded to Paris by the French general in command at Rome, Pius VII., in the absence of the fisherman's ring, made use of an iron seal engraved with the figures of Sts. Peter and Paul and inscribed with the words, "Pro Anno Piscatoris" (in lieu of the fisherman's ring).  
 The fisherman's ring was kept in Paris until Napoleon I. was overthrown, when it was returned to the sovereign pontiff. The ring is used only to seal briefs. The bulls, more important documents, are stamped with the leaden seal of the ancient parchments.—Inlandapolis News.
