#### STEEL CHANGES HANDS IN LARGE LOTS AT OPENING

Stocks in Brisk Demand During the Early Session, the Trading in the First Hour Almost Equalling Tuesday's High Record

By Associated Press.  
New York, Jan. 21.—(Wall Street)—The rally which attended yesterday's late dealing in stocks was resumed to-day's opening. Reading, Southern Pacific, Canadian Pacific, U. S. Steel and Bethlehem Steel pfd., rose a point or more. Trading was on a very broad scale especially in steel, which again changed hands in large lots. Missouri Pacific opened lower but soon recovered. There was unusually heavy trading in American Telephone and St. Paul convertible bond issues at slight advances. London furnished its customary change of lower prices for Americans.

Stocks were in brisk demand during the early session, trading in the first hour almost equalling Tuesday's high record. Missouri Pacific led in point of activity, but was erratic, losing over a point on realizing sales. Before mid-day, however, this was more than regained, that stock, as well as others of greater potential value, selling at best prices for the current movement. There were gains also in many low priced shares. Bonds in general were up with the stock list.
