NOTE THIS!

There is a world of difference between this

Sale of Women's Shoes at \$1.49 Pair

and any other that you might remember, in Harrisburg.

Because—every wanted style, every wanted size, and every wanted leather can be secured, out of the three thousand and over pairs.

Because—they represent the entire stock of a retailer who closed out the lot at an almost unbelievable figure, which accounts for our extremely low sale price.

Because—prior to this sale every shoe had an established price, and was never offered for less, in which event every shoe had to be right up to date in order to demand that price.

Because—they are stock shoes; not clearance or special lots, and might have been placed in our own stock and sold as regulars.

Because—the several cases which were never open before, having been bought for spring selling, have been marked **\$1.49** just the same as all the rest.

Crepe de Chine---The Latest Vogue in Millinery

Again to the front our Millinery Department presents for the first time in Harrisburg, the very latest mode—smart sailors of crepe de chine in fashionable shades and trimmed in a simple, yet very striking manner. A bit unusual are the thin brims of crepe de chine, held tightly in place by an outer rim to give the sailor effect. Moderately priced.

Do Remarks Count For Anything?

A lady of our city visited the Millinery Department this week, became very enthusiastic about the pretty styles and large assortment, and remarked: "Surely this store must do the millinery business of the town."

All Season We've Held the Reputation Of: The Store For Plush Coats

This is probably why we've sold almost two hundred plush coats since the first of January. We gained this worthy reputation by giving the BEST values, and because every few days, we showed new models and always had complete size assortments.

Our last shipment arrived a day or two ago—better, we believe, than any lot yet received. Good seal plushes; heavy yarn-dyed linings; with fur collars or without; full and half belts, and full flared models.

All At One Price—\$15.00

Sizes range from 16 to 44.
