GOLF GAINING CONVERTS

Fifty Thousand New Devotees for Sport Last Year, Is Claim

New York, Jan. 25.—Without a doubt the game of golf is gaining converts, perhaps more rapidly than any other sport. Once looked upon as distinctly the sport of the men of some age and avoidupois, it reaches now into all ages and types of men for its followers.

Wide press-agenting, one golf expert declares, is responsible for the advance in golfing. Word that sturdy athletes like Christy Mathewson and other ball players had turned to chasing the little white ball across the green brought many followers to the game. They even report here that John J. McGraw, of the Giants, is about to take up the pastime of John D. Rockefeller and other notables. The report, however, seems to be based on nothing more tangible than the fact that "Jawn" was presented with a fine assortment of golf sticks.

The army of fanatics who play the game in this country was increased last year by more than 50,000, according to representatives of golf supply houses. At the recent meeting of the United States Golf Association, a gain in membership of 33 golf clubs with membership running into the thousands, was reported over the previous year.

The growth of municipal golf courses has brought out regiments of new golf enthusiasts in larger cities of the country. There is every reason to believe that the coming season will see a great host of recruits to the game.

"HEINIE" ZIMMERMAN SUED

Defendant in Non-Support Case Brought by His Wife

New York, Jan. 25.—Heinie Zimmerman, third baseman of the Chicago Cubs, has been made the defendant in a suit of Mrs. Helene Chasar Zimmerman, of the Bronx. It was learned yesterday, abusive language and refusal to support are the grounds alleged by the 19-year-old wife of the baseball star in her papers, which arrived at the Bronx county Court House too late to be filed Saturday afternoon.

Although the wife alleges Zim is paid \$7,200 a year by the Chicago club for his services, she alleges he has not sent any money to support her in some time excepting a five-dollar gold piece which he sent as a Christmas present for their daughter, Margaret.

Mrs. Zimmerman asks \$200 a month alimony and \$500 allowance for counsel fees. At her home yesterday she said she had known Zimmerman since she was a child and had hoped for a happy marriage, but the romance has been shattered, she declared.

NANTICOKE FALLS HARD

Harrisburg Independents Take Central Leagueers Into Camp 49 to 30

The Harrisburg Independents easily defeated the Nanticoke five of the Central Pennsylvania League Saturday night in Chestnut street auditorium by the score of 49 to 30.

The visitors had little chance because the Harrisburg forwards were in a playing mood and Captain McCord just couldn't miss foul goals. There was a bit of sensational playing on both sides, Rote and Powell both doing a bit of brooch stopping playing. At the call for half time the Independents had a lead of six points.

Pat O'Brien, formerly a member of the Harrisburg Collegians, now manager of the Nanticoke five, played forward. He and Costello played splendid games. Nearly 600 fans witnessed the contest.
