NOW RAGING IN GALICIA

mate the German casualties during the days of January 25, 26 and 27 at no fewer than twenty thousand men. At Craonne alone they say the Germans And losses amounting to 6,000 men. In this particular fight the French give their losses at 800. The report follows:

"January 27 was the anniversary of the birthday of Emporor William of Commany. Our adversaries announced for this day very particular effort, but if it was made by them it did not result to their advantage.

"The day was a good one for us along all the front. Every German at tack was repulsed, while every French attack made progress.
"In Belgium the positions of the enemy were shelled and several of his trenches were demolished. To the south of the Lys the British artillery shelled the roads over which the German troops were moving, as well as the points where they were assembling.
"In the sectors of Arras, Albert, Roye, Noyon and Soissons there was intermittent cannonading and rife firing various points. The infantry of the Large Force of Austro-
