### Legal

NOTICE is hereby given that an application will be made to the Governor of the State of Pennsylvania on Monday, February 22, 1915, by Jessie Daturin, Myer Baturin, Hyman Kuehel and Robert Rosenberg, under the act of Assembly of the Commonwealth of Pennsylvania, entitled "An act to provide for the incorporation and regulation of certain classes of companies," April 29, 1914, and the supplements thereto, for the charter of an intended corporation, styled "Royal Building and Construction Company," the character and object of which is the manufacture of, and selling, mattresses, pillows, bed springs, bedsteads, couches, bedding supplies, and all other matters incidental to or forming a part of the general business of said company, for these purposes to have, possess and enjoy all the rights, benefits and privileges of the said act of assembly and its supplements.

ROBERT ROSENBERG, Solicitor.

Mary Kent vs. O. H. Kent—In the Court of Common Pleas of Dauphin County—No. 148, March Term, 1914.

To O. H. Kent, Respondent: You are hereby notified that the hearing in the above-stated case will take place at the Court House in the City of Harrisburg, on Monday, February 1st, A. D. 1915, at ten o'clock a. m., when and where you may attend and make such defense thereto if you see proper so to do.

E. E. BEIDLEMAN, Attorney for Plaintiff.

Sherriff's Office, Harrisburg, Pa., January 22, 1915.

### CURIOUS WAYS IN JAPAN.

One Thing In Particular That Pained a Visitor From Missouri.

I knew before I got here that Japan was queer, but I had no idea that everything was backward. I can't get used to sitting on the floor and sleeping with a tomato can with a napkin around it for a pillow. The easiest way to figure out how the Japanese would do a thing is to think what would be exactly backward in Missouri. When two Japanese meet they bow and bow, giving their heads short jerks as if trying to get salt water out of their eyes. When they separate they tip their hats. When they come into a store they tip their hats. When they buy a ticket they tip their hats. Their elbows are always bent toward their hats.

Japanese never kiss. This pleasant pastime has not yet been imported into cherry blossom land. It is only recently that a few of the Japanese have learned to shake hands. We travelers are hoping that they will take up other great American institutions. Japanese look upon kissing as being low and vulgar, believing that a few moments spent in bowing is much better. The girls feel that way about it, too—they say.

When an ardent young Japanese suitor slips his arm around the girl's waist and whispers into her shell-like ear that she is the only woman who has ever understood him and when she looks up confidingly into his eyes and breathes "You are so strong!" he does not clasp her to his bosom. In an ecstasy of joy and plant a delirious kiss on her trembling lips—no, instead of that he gets up and bows politely and thanks her in a few courteous phrases.

One cannot help feeling sorry for them when thinking how many pleasant evenings they miss. From my limited experience I wouldn't give a good old fashioned Missouri kiss for ten minutes of bows.—Homer Croly in Leslie's.

### Reversing a Phonograph Record.

A remarkably curious experiment may be performed with any ordinary phonograph. The sound box is reversed so that the needle slopes the other way, enabling the disk to be turned backward by the finger being placed near the center. The effect produced is extremely astonishing. You hear the human voice singing songs backward; you hear the harmony of Wagner backward—plain English sounds like a Chinese language. The most remarkable effect is perhaps to play a chime of bells in this reversed manner. The sound rushes up and up, but there is never a single strike or clash of a bell. The strike on the ear is reversed and is nothing but a sharp "cessation of sound."—Strand Magazine.

### BLOODTHIRSTY FERRETS.

They Kill Not For Food, but For the Mere Sake of Slaughtering.

The ferret is one of the most peculiar members of the animal kingdom. It belongs also to an extraordinary family, that of the weasels. A branch of this family is called the polecats. The European representative of our skunks, and the ferret is a species of polecat, generally an albino, yellowish white in color, with pink eyes.
