The celebration, naturally though, will come in the form of an anisual array of vaudeville talent, and no effort was spared in the selection of talent for the anniversary bill. To doseph Hart's splendid novelty comedy, entitled "The Telephone Tangle," with Dorothy Regal and converse has with Dorothy Regel and company, has been entrusted the coveted position. This novel laugh winner was one of the most successful features of Ziegfeld's Follies, and since it is appearing in vandeville, it is just as much of a sure fire hit.

Tre hit.

Unique as the playlet is, just that practical it is. It deals with the mislakes the public suffers, when Central is having a busy time. The operator, the role assumed by Miss Regel, gets her "parties" mixed up and the trouble and fun that ensues must be seen to be appreciated. The scenic divestment of this attraction is very novel and very elever. Also our old time favoite, Brindamour, the handcuff king, returns to the Orpheum this week after a sixyear absence, to appear in an entirely year absence, to appear in an entirely new act as the added attraction of the bill. Pretty and petite Josie Heather and Henry Marshall, in classy songs and patter, appear here for the first time; the three Leightons, excellent

Get a 10-cent box now.
You're bilious! You have a throbbing sensation in your head, a bad taste in your mouth, your eyes burn, your skin is yellow, with dark rings under your eyes; your lips are parched. No wonder you feel ugly, mean and ill-tempered. Your system is full of bile not properly passed off, and what you need is a cleaning up inside. Don't continue being a bilious nuisance to yourself and those who love you, and don't resort to harsh physics that irritate and injure. Remember that most disorders of the stomach, liver and bowels are cured by morning with gentle, thorough Cascarets—they work while you sleep. A 10-cent box from your druggist will keep your liver and bowels clean; stomach sweet, and your head clear for months. Nervy Thieves in Berks County
Reading, Feb. 1.—Thieves put an end to what three young men of Hill Church, this county, thought would prove a thriving industry and where there would be little competition in trade, when they stole six live skunks, which Abraham and Isaac Moyer and Warren Rohrbach caught recently on the Earl hills.
