Look after that cold in your chest and just rub on BEGY'S MUSTARINE and get rid of it to-night. If you don't to-morrow may bring pneumonia. It will not blister; will not soil, but it will surely and quickly stop the pain of rheumatism and reduce the swelling. It is simply wonderful how quickly it acts on strains, sprains, lameness, sore muscles, stiff neck, sore throat, coughs and pleurisy.

It is equally good to speedily draw the soreness from inflamed feet, corns, bunions and callouses and for frosted feet and chilblains. It gives instant relief.

Get a big 25-cent box to-day. Ask for BEGY'S MUSTARINE, the real mustard preparation in the yellow box. Substitutes won't do.—Adv.
